Council Is Conventioneering

Busy Session is Slated for GC Council Tomorrow Night

The Granite City council will not meet tonight, but instead the members will hold the regular meeting tomorrow night because most aldermen and officials are attending the Illinois Municipal League convention at Chicago.

A busy session is on tap for tomorrow evening's 8 o'clock meeting. A decision is pending on hiring a chemical engineer firm to gather evidence for possible civil action in recent house paint discolorations, and the council also may be called upon to award a million-dollar contract for sewage treatment plant construction.

Mayor Davis indicated last week that he would be ready this week to fill the newly-created post of public engineer for the city and would submit the name of East St. Louis engineer David J. Johnston for council confirmation.

Other action also pending is second reading for the proposed amendment to the city code to give the mayor full authority to name council committees and chairmen. Under the present code, the committees are named by the council unless they want to relinquish the authority to the mayor.

Jr. Alderman Controversy
 When the amendment was placed on first reading three weeks ago, it was mentioned the change would permit the removal of junior aldermen from key

Girl, 8, Hurt When Sidewalk Collapses

Abractions to her right knee were suffered by eight-year-old Beverly Wofford when a section of sidewalk collapsed Friday afternoon in front of 2234 Bryan avenue, a short distance from her home. She is a third grader at Logan school.

The girl, daughter of Mr. and Mrs. Thomas Wofford, 2234 Bryan avenue, was given emergency treatment at St. Elizabeth Hospital and the city was notified.

The section of sidewalk was undermined, it was reported.

Seek Hit-Run Vehicle After Three-Car Crash

A green and white 1955 auto with a dented right front is being sought after leaving the scene of a crash involving three northbound cars on Madison avenue at Niedringhaus avenue during rain at 8:20 p.m. Saturday. The other two autos were halted due to a red light.

The hit-run car collided with the rear of the auto of Jerry Wallace, 2151 Benton, knocking the front of the Wallace vehicle against the rear of the auto of James Morrison, 2332 Clark avenue, police were informed.

Arrest Follows Crash

Michael Genovese, 16, of 2409 Sunbury avenue was charged with a right-of-way violation at 11:30 a.m. Saturday after the front of his northbound car had collided with the right front of the eastbound auto of Frieda Blattner, 1920 Lynn avenue, at Niedringhaus street and Madison avenue. His auto allegedly skidded past a red light.

Two Autos Collide

Cars driven by Leonard Phipps, East St. Louis, and Hugh Wade, 1911 Benton street, collided at 6:15 p.m. Friday at Niedringhaus avenue and Adams street. The left rear of the Phipps car and the right front of the other were damaged.

In civic affairs, the newcomer has been active in the Kiwanis Club Community Chest campaigns and with the Boy Scout organization. He is also a veteran of the Korean conflict in which he served as an Army sergeant.

group would aid the city materially in its efforts to clean air. The study being conducted under the cooperation of federal, state and municipal agencies to cover not only property damage, but also health factors, he explained.

The council was told that the state Air Pollution Control board has had five meetings and is working toward agreement with neighboring states, such as Missouri and Indiana.

He went on to advise the council that even with a city-wide air pollution control ordinance, Granite City could still have problem with the pollutants being air-borne here from other areas where there were no controls. The state is faced with carrying out a program to clean the air throughout its jurisdiction and to work out arrangements with its neighboring states to do the same thing, he explained, adding a comment "it's a slow process."

Difficult to Prove
 The state engineer also told the council that a chemical engineer hired by the city to do specific job could run into difficulty tracing any air pollutants released by its neighbors.

A way to provide the type of evidence needed for court action, the city is now being urged to have evidence and turn it over to persons or groups wanting to go to court to seek property damage.

Bids for the sewage treatment

C. of C. Annual Meeting Speaker Well-Known Here

It's a repeat performance for Rabbi Morris M. Hershman, Joliet, who will be the guest speaker for the 24th annual meeting of the Tri-Cities Chamber of Commerce to be held Oct. 22 at a location yet to be designated.

Rabbi Hershman spoke at the annual meeting in 1957 when C. A. Brandt was C. of C. president.

Chester L. Baker, C. of C. president, and Ernest E. Vein, Jr., chairman of the annual meeting committee, pointed out today that Rabbi Hershman is much in demand as a public speaker and also has a national reputation as a religious leader.

He has been keynote speaker for several conventions including the Illinois Federation of Women's Clubs, the New England Conference of Savings and Loan Associations, the Automotive Institute of Laundering.

He was the spokesman for Joliet in that city's successful bid for the "All-America City" award.

He has been at Joliet since 1943 and is the spiritual leader for 250 families of the Joliet Jewish Congregation. He has been active in civic endeavors including the Joliet Association of Commerce, the public Health Council, Joliet Rotary Club, Joliet-Will County Chapter of the American Red Cross.

He also is a member of the Advisory Council of the Joliet Junior college, the Joliet Mayor's Commission on Human Relations, the committee for better schools in Joliet and the Illinois Citizens Education committee.

Two Deputy Sheriffs

Enroll as Fresh at SWIU
 Two Madison county sheriff's deputies have enrolled in southwestern Illinois University as freshmen, planning to major in psychology.

They are John of Granite City and Capt. Louis Bowman of Alton, the department's chief investigator.

Fire in Auto Causes \$50 Damage Yesterday

Fire caused an estimated \$50 damage to the interior of the auto of Ronald Mayes, 2831 Cayuga street, at 5:45 a.m. Sunday at 19th and State streets. Granite City firemen attributed it to a cigarette in the front seat.

The fire department also responded to a false alarm at noon Saturday in the 2000 block of State street.

Improper Left Turn

Everett A. Rice, 2425 Madison avenue, was charged with making an improper left turn when he turned from the right lane into the path of a car driven by Carol Delafaye, 3300 Village avenue, at 5:45 p.m. Friday at 2425 Madison avenue. Both cars were damaged.

Four Hubcaps Stolen

Jerry Williams, 2514 Denver street, reported at 5 a.m. Saturday that four hubcaps were taken off of his 1949 auto while it was parked on the Washington theater lot.

Venice Woman Hurt In Youth's Attempt To Rob Her Store

Mrs. Lena Vierling, 80-year-old operator of a confectionery at 205 Solb street, Venice, was knocked down and injured Thursday afternoon by a youth who apparently planned to rob the store, but who fled when Mrs. Vierling screamed.

Mrs. Vierling was taken to St. Elizabeth Hospital for treatment of abrasions to the left side of her face and a cut over her left eyebrow received when her attacker threw her to the floor in a store room.

She told police later that she was standing in the confectionery with her back to the door when someone grabbed her from behind and threw her into the store room, locking her in. She had no opportunity to see the person.

Mrs. Marjorie Key, 1227 Calhoun street, who was approaching the confectionery, said she heard a scream and saw a young man wearing khaki trousers run from the Vierling store. He disappeared in the alley between Logan and Calhoun streets. Mrs. Key summoned E. B. Wilson who was at the corner of Solb and Logan streets. He found Mrs. Vierling in the store room.

Mrs. Minnie Zwings, operator of the North Venice Drug store across from the confectionery, said a youth answering the description of Mrs. Vierling's attacker was in her store earlier, but left when he didn't have enough money to purchase an apple he asked about.

Mrs. Vierling returned home after receiving emergency treatment at the hospital.

tical Association and affiliated organizations in Illinois and Mississippi.

Hours for the new store are tentatively set for 9 a.m. to 9:30 p.m. each weekday and 10 a.m. to 8 p.m. Sundays. According to Winters, accuracy and speed in filling all prescriptions will be emphasized at the new store with a registered pharmacist on duty at all times.

First Meeting of Tri-City Methodist Community Council

First meeting of the newly-organized Tri-City Methodist Community Council was held at Niedringhaus Memorial Methodist Church Thursday evening. Representatives from the four Methodist Churches in Granite City and from the churches in Madison and Venice were in attendance.

Chairman was Rev. R. Paul Sims, minister of the Niedringhaus Church, and a brief devotional service was led by Rev. Frank Pierce of Nemoeth Methodist. Prayer was led by the Trinity Methodist pastor, Rev. Clair S. Clark.

The council has been organized for discussion, program promotion and an attempt to unite the interests and concerns of Methodists throughout the Quad-City area. Thursday's discussion dealt with activities planned for women's work, youth work and the work of Methodist Men.

Women of the six churches will be united in a "call to prayer and self-denial" service at the Nemoeth Methodist Church Oct. 26. The youth will have a council youth meeting Oct. 12, also at the Nemoeth Church.

Council Leaders
Erla West of Granite City is the lay co-chairman of the council while Jim Rucker is the council youth president. District officers present at Thursday night's meeting included Raymond L. Henley, district lay leader, and Bill Henley, district president of the Methodist Youth Fellowship.

Rev. Eugene Beasley, minister of the First Methodist Church in Madison, was designated as youth councilor for the Tri-City Council.

The Methodist quadrennial theme for 1964-1968 is "One Witness in One World." Regular meetings of the council will attempt to implement this effort of the entire Methodist Church by providing a forum for expressing Methodism's witness in the Quad-Cities.

Speeding Charge Filed
Robert L. Colgan, 2438 Cleveland Blvd., was arrested at 9:55 p.m. Thursday at 15th street and Madison avenue on a speeding charge. A hearing was set for Oct. 5.

12-Inch Weed Law Proposed

Village Board and Police Disagree over Dog Catching

Action toward enactment of an animal control ordinance for the recently-organized village of Puntoon Beach came into an immediate snag on first reading at a village board meeting Thursday night when Village Marshal Douglas Harvey protested provisions of the law placing responsibility for dog catching on the village's four-man police department.

The animal control bill was one of three ordinances introduced by Trustee Chester Dean in a meeting attended by five trustees of the seven-man village board and nine Puntoon Beach residents. Village President Thomas Staioff and Trustee Anthony Jackson were absent.

The other two ordinances included one for control of weed growth and another banning parking on certain sections of Lake drive and Lake street. The weed control bill also came in for considerable discussion before the trustees decided to leave it on first reading and "iron out any difficulties" before the next meeting Oct. 22.

Sections of the animal control ordinance are designed to prevent cruelty to animals through beating, overloading, abandonment or other means, prohibit the running at large of any dangerous and vicious animal or the keeping of any animal that disturbs the peace. The bill gives the police department authority to dispose of any animal considered dangerous and prohibits the keeping of any diseased animal in a public place or a place exposed to the public. It provides that dogs must wear collars and rabies immunization tags, but does not require licensing.

Police Not Dogcatchers
Marshal Harvey objected to terms of the bill for imposing the all dogs running at large without collars and rabies tags with responsibility for catching stray dogs assigned to the police department. The ordinance further provides that the police department must keep records of all dogs picked up, listing the date of capture, a description of the dog and the date the animal

is turned over to the county dog pound if it is not claimed. Violators of any term of the ordinance are subject to a fine of \$5 to \$50 with each day of violation constituting a separate offense.

After City Clerk Edison Phelps completed first reading of the bill, Marshal Harvey objected that responsibility for dog catching should be given to someone regularly employed for that job "like they do in every other city I've ever known about." He said the police department would be unable to handle the job "unless you give use another man."

Trustee Harold McBride, who was president of the board in Staioff's absence, replied that dog catching usually is a job for the police department and Harvey replied that while that may be true the police department usually has a humane officer who handles that job alone.

Enough to Do
"Don't you think four police men have enough to do without chasing stray dogs without any-

thing to catch them with?" Harvey asked. "I don't think it's a job for the police department, but if you say so, we can handle the job if you give us another man."

The Puntoon Beach police department is a voluntary organization operated similarly to the voluntary fire department. The police officers give their time and use their own automobiles. Their only recompense is a small allowance for gasoline appropriated by the village board, but this is limited because of budget problems.

The ordinance was left on first reading after members of the police department said that the matter will be studied by the ordinance committee and that amendments to the bill can be made before it is placed on second reading. The ordinance will be given three readings before it reaches final passage stage.

12-Inch Weed Limit
The weed control ordinance, which also provides that Puntoon Beach residents cannot permit their grass to grow more than 12 inches high, resulted in a discussion of "exceptional cases" and such questions as to how the ordinance would effect gardens.

"If you have 12 inches of weeds you don't have any garden," someone replied.

The ordinance again calls on the police department for enforcement, providing that police officers are to watch yards and lots and to notify property owners when weeds or grass have grown beyond the 12-inch limit. Responsible parties who fail to cut weeds or grass within 10 days of the notice are subject to a fine of \$5 to \$50 for each day of violation past the ten-day notice date.

Regulations of the third ordinance banning parking on the east side of Lake drive for 1040 feet from Puntoon road, and on the north side of Lake street from a point 150 feet west of Route 111. Violation of this law also provides a fine of \$5 to \$50 for each occurrence.

Salary for Attorney
On motion of McBride, the board voted a \$150 annual salary for the village attorney, William Schooley, payable at \$75 semi-annually.

A communication from the Illinois Highway department notified the board that \$395 had been allotted the village in motor fuel tax funds for September, and a similar letter from the Illinois department of finance said \$48.71 in sales tax allowances has been granted the village.

Phelps reported that July bills amounted to \$13.50—payment to the Illinois Power Co.—while receipts amounted to \$127.56. The village had a balance of \$2414 as of Sept. 1, Phelps said.

Growth of Lutheran Church, City Equal
Concordia Lutheran Church and Hope Lutheran Church have kept pace with the population increase in Granite City during the past 10 years, it was brought out during a 12-week survey of membership recently completed by the two congregations.

The survey showed that the city's population growth of 11,720 persons was 37%. In the same period, Hope and Concordia churches increased their membership by 395 members, or 37%.

The congregations now are participating with seven churches in the Missouri Synod in a "Spiritual life mission" under the supervision of the Rev. T. A. Raedler of St. Louis, director of evangelism for the 2,500,000-member group.

The program at Concordia and Hope Lutheran will culminate with special worship services on Tuesday, Wednesday and Thursday and an analysis of each congregation under the leadership of guest consultant Pastor Fred Van of Mathers, Ill., at Concordia, and Pastor George Sommermeier, St. Louis at Hope.

Next Sunday Pastors Van and Sommermeier will outline their recommendations on future work for "service of dedication" to the congregations.

Man Hurt on Truck Sues Firm
Charles Wesbrook of Granite City has filed a \$15,000 suit against the Roger N. Bowler Contract Hauling Co. in Madison county circuit court.

The complaint states that last Jan. 23, Wesbrook, an employee of Granite City Steel Co., was working on a Bowler truck trailer which was being loaded with steel when the trailer catapulted into the air and threw him off of it. Wesbrook alleges permanent and severe injuries and charges negligence and carelessness on the part of the trucking company.

Employee Files \$75,000 Suit Against Railroad
Henry Stefanoff has filed suit for \$75,000 in Madison county circuit court against the Terminal Railroad Association.

The complaint states that on Dec. 23, 1961, while he was employed as a yard clerk, he slipped and fell on ice on a railroad parking lot in the Venice yards, causing severe and permanent injuries to his legs. He also seeks costs and asked for a jury trial.

Bi-State Agency Shows Progress In New Report

The Bi-State Transit System earned net revenues of \$28,320 during its first 11 months of operation, according to an annual report of the Bi-State Development Agency now being distributed covering the fiscal year from July 1, 1963 to June 30, 1964.

Overall revenues totaled \$21,017,774, including \$20,771,568 in passenger transportation, \$131,834 from advertising and \$13,875 from other sources.

Operating expenses, exclusive of depreciation and interest on revenue bonds totaled \$18,539,680 for a net operating income of \$2,457,594. Deposits to the depreciation reserve fund totaled \$1,455,535 and interest was \$970,739 for a total of \$2,458,274.

The system showed total assets of \$27,944,733, including an investment in the transit system of \$22,718,459, less reserve for depreciation of \$1,458,535, for a net of \$21,259,924.

Liabilities include transit revenue bonds of \$5 million maturing serially to March 1, 1968 with a balance of \$21,500,000 payable to March 1, 1993, secured by revenues.

Assets of the Bi-State Agency other than its transit system totaled \$5,167,337, including \$2,400,007 invested in facilities and \$2,367,193 in cash restricted for construction, bond interest and principal.

Liabilities include funded debts of \$932,000 on 4 1/2% revenue bonds for the Granite City wharf and terminal, maturing in annual installments to 1974, and \$3,300,000 in 5 1/2% revenue bonds for the Gateway arch passenger transportation facilities, maturing in 1992.

The annual report includes general reviews of the agency's operations, including the Granite City wharf and terminal, the transit system, the Gateway arch passenger transportation facilities, the proposed Parks metropolitan airport, the interstate air pollution study and a proposed regional planning system.

The report claims significant improvements in the operational projects of the agency, including the wharf and terminal, the transit system and the air pollution study.

Officers of the agency are: C. E. Townsend, acting chairman; Sidney W. Souers, treasurer; Edward J. Delmore Jr., assistant treasurer; and Herbert S. Wilhelm, secretary. They serve without pay. Col. R. E. Smyser is the executive director.

Wedding, Club Meetings among Fall Social Highlights of the Quad-Cities over the Weekend

District Meet Here Tuesday For Parent-Teacher Group

Mrs. Harold T. Kracht of Chicago, state treasurer of the Illinois Congress of Parents and Teachers, will address the fall conference of District 29, I.C.P.T., John Church, which is scheduled for tomorrow afternoon and evening at the St. John United Church of Christ on N. Main street. Mrs. Kracht, who is to speak at the evening session, will base her address on "Our PTA Heritage."

More than 80 representatives have been made for a 6:15 p.m. dinner with PTA representatives to attend from the counties of Madison, Jersey and Calhoun. Prior to the guest speaker's address, Warren Simpkins, Granite City high school vocal music director, will sing "Wonderful Copenhagen," in honor of Mrs. Kracht, a native of Denmark. Registration is at 3 p.m. for the afternoon program with a round-table discussion on policies and objectives of PTA. Also to be highlighted is a discussion on the relationship of school administrators, principals and teachers to PTA, directed by Mrs. V. J. Brazier of Alton, I.C.P.T. vice-president and District 29 coordinator.

Miss Evelyn Pearl Madison And Alvin L. Brown Are Wed

The Panton Beach, Church of Christ was the scene of the wedding Friday evening of Miss Evelyn Pearl Madison, a daughter of Mr. and Mrs. Finis F. Madison, 4100 Highway 111, and Alvin L. Brown, whose parents are Mr. and Mrs. Roy O. Brown, 1348 Rhodes street.

The ceremony was performed at 7:30 o'clock and a program of wedding music was provided by Martin Hayes, vocalist, accompanied at the organ by Mrs. Mae Bell Van Sooyk. The songs were "Because" and "The Lord's Prayer."

The bride wore a Chantilly lace gown fashioned with a sash, a neckline embellished with iridescent sequins and a seed pearl. Long tapered sleeves were set into the bodice and the very bouffant skirt had wide tiers of lace all around. A jeweled crown held in place the bride's finger tip veil of illusion and she carried a white Bible topped with an orchid and stephanotis.

Miss Janet Norris, a cousin of the bride, as maid of honor, and Miss Cheryl Bell Brown, the bridegroom's sister, bridesmaid, were dressed alike in Cotonille blue peau de soie. The groom

MR. AND MRS. EVELYN L. BROWN, whose wedding took place Friday evening at the Panton Beach Church of Christ. Mrs. Brown is the former Evelyn Pearl Madison, daughter of Mr. and Mrs. Finis Brown.

IHE Federation District Meeting

The Illinois Homemakers Extension Federation, District Seven, met Friday at Augustus's restaurant in Belleville with nine members and Home Advisers, including Mrs. Harold Rapp, district representative by 97 counties, and Mrs. J. H. Hill, second vice-chairman, both of this city.

After a session consisted of reports in citizenship and safety, family life, international public information and membership, Mrs. Rapp attended the Family Life workshop, during which homemakers were urged to read and encourage their children to read. Planning activities that would bring the family together also were stressed.

Mrs. Hill was present at the members' workshop, The Madison county drive will start Oct. 28. Guests are being welcomed at all Unit meetings during October.

Homemakers Extension will have a special interest lesson in "Living with fur, synthetic and real," and also a class in glove making. Both lessons will be taught in addition to regular meetings.

An officers training school will be held Tuesday at the Extension Auditorium in Edwardsville from 1-3 p.m.

Thursday Club Opens Season

The Thursday Evening Bunch Club held the first fall meeting last week in the home of Mrs. Celeste Lowe, 2537 Iowa street. Those to whom course favors were given were Mrs. Kathryn Smithson, Mrs. Irma Taylor and Mrs. Mary Forester.

The club will meet again in two weeks with Mrs. Smithson, 2537 Iowa street, Reford, Mo., as hostess.

Guests were served at the games.

GC Garden Club Wins Award At District Five Meeting

A local garden club was an exhibit prizewinner at Belleville and the Garden Clubs of Illinois, a semi-annual meeting of District Five, Garden Clubs of Illinois, was held at Fiesche's restaurant.

Attending from here were Mrs. C. E. Eads, president, Mrs. J. R. Cooley, Mrs. J. R. Brandt, Mrs. Mary E. Eads, president, Mrs. Charles Kohl, district recording secretary, Mrs. John Farrell, president, Mrs. Mary Kristian, Mrs. Earl Glenn, Mrs. A. J.

Return Home from State Convention

Mrs. Bethel J. Davis and Mrs. Pearl C. Campbell returned Thursday evening from Macomb where they attended the 90th state convention of the Illinois Woman's Christian Temperance Union and heard a talk by Mrs. Herman Stanley, national promotion secretary.

Mrs. Davis is a state director of temperance education in church schools and was appointed to the post. It was announced the national members and one million dollars in the next 10 years" was stressed during the convention. It was announced the national WCTU convention will be held in Chicago next year.

Teenagers Hold Hayride Saturday

Mrs. and Mrs. Amos Sexton of Troy chaperoned a hayride given by their daughter, Linda, Saturday night at Troy.

Granite City teenagers attending were Linda Moser, Phil Minick, Nick Ryan, Maureen Eberhart, Harriet Rogers, Jim Hall, Linda Nance, Haskell Pyatt, Donna Isbrecht, Bill Hayes, Jeannie Patterson, Mickey Hall, Diane Dochwat, Jerry Walters, Donna Brucker, Gary Stevenson, Carol Krieske, Bob Fry, Sharon Wright, Gary Golden and John Denton.

WCTU TO MEET FRIDAY

The WCTU will meet Friday evening at the home of Mrs. Van Bort, 1941 Benton street, with Mrs. Alice Bates as assistant hostess.

THIS I BELIEVE
Church Traditions add nothing to the quality of the Christian Faith, since Scriptures are fully adequate to make a person wise unto Salvation through Faith in Jesus Christ, and to make the person perfect and completely furnished unto every good work. 2 Timothy 3:15-17
It is Scriptural Faith in Jesus Christ that is the means of obtaining the Holy Ghost. John 7:37-39. But Church Tradition like that of the Jewish traditions held by the Pharisees is a seed bed for all kinds of errors and potential errors. Matthew 15:1-9
Every sign, and deed, performed by Jesus are not written in Scripture (John 20:30; 21:25), but were not given for that purpose, since to establish His resurrection to the Apostles was primarily in mind. Acts 1:4
However, for the purpose of God the Scriptures of the Old and the New Testaments (the New Testament is now in effect), expresses to man all he essentially needs to know in matters of Faith and Morals.
PASTOR KENNETH V. REEVES
UNITED PENTECOSTAL CHURCH
Twenty-second Street and Bryan Avenue, Granite City, Illinois

SOCIETY

Conservation Topic at Area PTA Council Dinner

Mr. Ida Handelder, District at Maryville school each Monday, ICPIT, opened a day from 7:30 p.m. to 8:30 p.m. Granite City Area PTA Council dinner, which was held Thursday evening at Nidringhaus school. Approximately 60 attended.

Gerald Bushue, school principal, and Mrs. Bushue and Mrs. Wilma Pulaski, Nidringhaus PTA president, were introduced. Representatives of the St. Clair Toastmasters club of Belleville were the guest speakers. Their topics were on "Conservation," this year's theme for the Area Council.

Lee Halliday of Belleville introduced Jack Cook of East St. Louis, who spoke on "Conservation of Water and Pollution." He was followed by Fred Schroeder, who discussed "Reclamation of Soil from Strip Mines." Ross French, an aerial photographer, lectured on "Prevention of Forest Fires."

Carl Reid, a field worker, chose the subject, "Keep America Beautiful," and asked every one to take care of litter in park areas and along the highways, as well as in their own communities. The dinner was given by the Toastmasters club at the close of the program.

Mrs. Lucille Caban, area council president, conducted the business meeting followed by remarks from Jack Cook, treasurer, and Chester Swickard, secretary.

She announced that the District 29 conference will be held tomorrow at St. John's United Church of Christ. The seventh annual PTA appreciation dinner has been scheduled for March 9 at the senior high school with Mrs. Milton Littler, area PTA president, as guest speaker.

Owen Humphrey, principal of Maryville school, announced that PTA choruses will resume meetings.

Miss Roseman is Guild President

Mrs. Virginia Roseman was named president of the Maryville Methodist Guild during the meeting Thursday evening at Cedar View Baptist Church. Elected to serve with Miss Roseman as vice-president was Miss Wanda Lemons.

Miss Linda Young offered prayer to open the meeting and gave a devotional topic, "How to be a Powerful Christian." She later read the Love Gift poem "Lord Let Me Give."

"India's Religions," were the subject of the September lesson presented by Miss Rosemary Pithers. Refreshments were served by Miss Sandra McManus and Miss Lemons.

Mrs. Pauline Cravens and Mrs. Dorothy Todd, co-sponsors of the guild also were present.

Shower Honors Miss Puhse

A bridal shower was given last night at the YMCA complimentary to Miss Judith Puhse, who will become the bride of Charles Nacy of Madison at the First Church of the Nazarene, on Friday.

The bride-to-be is the daughter of Mr. and Mrs. Ralph Puhse, 1937 Grand avenue. Her fiancé's parents, Mr. and Mrs. Mitchell Nacy, reside at 808 Grand avenue, Madison.

Hostesses were Mrs. Phyllis Puhse, Mrs. Brenda Withers and Mrs. Janet Fuhrman. The bride party colors of pale pink and white were used throughout the table appointments and a room decor. Tiny umbrellas decorated with ribbons were attached at each end of the gift table which was adorned with a large card skirt of netting.

A buffet refreshment table was centered with a large wedding cake. Games were played for entertainment with Mrs. Dorothy Brookshier among the prize-winners.

Twenty-five guests honored Miss Puhse included Mrs. Mary Puhse and daughter, Susan and Mr. Thomas Puhse, all of Edwardsville.

Council of Church Women to Meet

The annual business meeting of the Quad-Cities Council of Church Women will be held Wednesday at 1:15 p.m. at the First Church of God, 2904 Pershing avenue.

There will be an election of officers and the installation of the host pastor, Rev. G. Lewis Kujala. A short review of the State Assembly will be given and a fellowship hour will follow. All churches are invited to attend.

RAMBLERS PARTY AT COWAN HOME

Miss Mary and Miss Martha Cowan were hostesses to the Ramblers at their home, 2660 Edison avenue, Friday evening. Present were Mr. and Mrs. D. J. Foster of Alton, Dr. and Mrs. Amos Role, Miss Ann Jones, Mrs. H. P. Reuss, and two guests, Mrs. Edward Werner of Collinsville, and Mrs. R. D. Minnick.

The guest of honor, the former Miss Joan Singleton of Granite City, is presently residing with her parents, Mr. and Mrs. Berlin Singleton, 2747 Sunset drive. Her husband, 2nd Lt. Dennis R. Reeder, is stationed with the Army at Aberdeen, Md.

FIRST BIRTHDAY PARTY HONORS KEVIN LINK

The first birthday of Kevin Gregory Link was observed during the weekend with two parties. A children's party in the home was given Saturday by the honoree's parents, Mr. and Mrs. Richard Link Jr., at their home, 2553 East 27th street, with 21 guests present.

On Sunday a family dinner attended by 16 guests was held at the home of the paternal grandparents, Mr. and Mrs. Richard Link sr., in Belleville. Gifts were presented to the honoree.

RANDY SMITH OBSERVES FIFTH BIRTHDAY

Colorful balloons and streamers decorated the home of Mr. and Mrs. G. R. Smith, 2732 Willow drive, Saturday afternoon when the couple entertained with a children's party in observance of the fifth birthday of Randy.

Games were played and refreshments served by the hosts to Vivian Favier, Cindy Rodgers, Brenda and Robert Hamm, Garth Widel, Brian Lee, Gary Ramey and Mark and Jeff Harris.

GOLDEN CIRCLE CLASS HOLDS DAYRIDE

The Golden Circle class of Calvary Baptist Church held a hayride and social evening Saturday at the home of Mr. and Mrs. Alton Sexton on Rural Route One, Troy.

Those attending were Mr. and Mrs. Thomas Clark, Mr. and Mrs. LaMoine Kinder, Mr. and Mrs. James Hancock, Mr. and Mrs. Donald Smith and Mr. and Mrs. Joseph Robinson.

Scoring Record Set by Warriors As They Thunder Past Trojans 62-0

The Charge of the Light Brigade, the Crimean War incident immortalized by Alfred Lord Tennyson, failed miserably. The Charge of the White Brigade, high school football style a century later, was a whopping success.

Onward and onward thundered the white-clad Granite City Warriors and when the din had subsided, they were 62-0 conquerors of Madison's green-and-white-costumed Trojans Friday night on that neighboring community's battleground.

It was Granite City's 28th win (along with five losses and one tie) in the 34-year-old series and the most lopsided game of them all. It surpassed the 52-0 shutout that Madison took back in 1930.

The Fighting Warriors scored nine touchdowns, four of them by halfback Nick Petrillo, as they registered their second victory in two outings. It was the second setback in two starts for Madison this season.

Madison has lost only one other game by a bigger score—67-0 to Belleville in 1930. The Trojans also lost 62-0 to East St. Louis in 1943.

The margin of victory was the biggest racked up by any Granite City team in the school's 44-year grid history although GCHS scored more points twice—beating Marissa in 1923 and Edwardsville in 1930 by 45-6 scores.

Strike Early

The Granite Cityans, who often face their outmanned neighbors with a ho-hum attitude, were fired up for this one. They jarred the Trojans with 21 points in the opening quarter. Petrillo scored the first touchdown, a 27-yard run, and GCHS coach Jim Morrison said, "I told them someday Madison was going to beat Granite. If they didn't stop horsing around, maybe I got them too fired up. I don't know what I'll tell them next year—they'll never believe me after this."

The hard-charging Warriors ripped into the Trojans and the savage play resulted in seven fumble recoveries—four by John Evenden and John Pingree and one each by Leonard Reelle, Steve Johnson and Craig Gentry. Four led to touchdowns.

Meanwhile, Madison could gain only 35 yards overall while Granite City rolled up 249 run and 18 first downs. The host team gave five first downs but three were penalties.

Petrillo, star of the opening game victory over River View, carried the ball only eight times but netted 127 yards. He had touchdowns runs of 10, 38 and 18 yards, clicked off a run of 42 yards that set up another tally and caught a pass from Doug Winfield for 24 yards and a TD.

His Best Night

"I've never seen Petrillo play a better game," Morrison said. Petrillo had plenty of help from his first-string mates and the

GC Sophs Paced By Long Returns In 31-0 Victory

Brin LaMear scored on two long punt returns Thursday night as the Granite City high school sophomores whipped the visiting Staunton Bulldogs 31-0 in their football opener.

LAMear returned Staunton boots for 63 and 73-yard touchdowns. Keith Gauen also scored two TDs, plunging over from two and three yards out.

The first score for the young Warriors came on a 35-yard run by left halfback Terry Yates. The only extra point was kicked by Bob Odum.

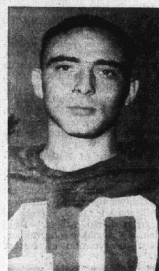

"It was a good overall defensive effort," said coach Leo Chappell, "especially in the first half (GCHS led 18-0). Then we let down a little and gave 'em about 50 yards."

He said the offensive unit ran smoothly under the direction of quarterback Steve Conway. The sopho travel to Belleville this evening for a contest with the young Maroons, 18-0 losers to Assumption last week.

Jachino New President Of Bowling Association

Jack Jachino of Bowland is the newly-elected president of the southwestern Illinois Bowling Proprietors Association. Madison and St. Clair counties.

Jachino had been secretary of the organization since its founding in 1938. Other officers are Art Hartman, Collinsville, secretary; Ed Threlkeld, Belleville, vice-president; and Ted Loman, East St. Louis, sergeant-at-arms.

Odd Fellows Win 15-6

Only one game was played Saturday in Granite City park district field football as rain fell on the Wilson Park fields. The Odd Fellows defeated the Browns 15-6 in the 5th-6th Grade Division as Mark Hatcher and Mike Downard scored the touchdowns. Greg Harris scored for the Browns.

PRESS-RECORD SPORTS

Page 6 Mon., Sept. 28, 1964 Granite City PRESS-RECORD

DESPERATE SITUATIONS, in this case a 28-0 Granite City lead, call for desperate measures. With only seconds remaining in the first half, Madison quarterback Steve Geroff fired off a pass as the Trojans tried in vain to cross the goal line. Taking the ball at the Granite City 48, Geroff tried four passes and all were incomplete. The half ended on the fourth attempt. Blockers bracing for the Warriors' rush are Alton Rendell (foreground) and Paul Lusk. Pressure-uniformed Bill Pates of the Warriors, meanwhile, puts pressure on Geroff. The Warriors ran off with a 62-0 triumph.

It costs about \$135 to completely equip a football player with shoes, pants, jersey, helmet, plus pads for shoulders, ribs, hips, thighs and knees.

Bethalto Downs Prather Chiefs 24-7 In Opener

Triumph junior high school of Bethalto scored three times in the second quarter Thursday night to defeat the visiting Prather Chiefs 24-7 as the Granite City school opened its football season.

Prather's only score came in the fourth quarter when Chuck Peniglo crossed the goal on a 20-yard sweep. He also ran the extra point. The scoring drive covered 60 yards.

First game jitters apparently hurt the Chiefs as they fumbled four times and lost them all to Bethalto. Two of the fumbles came just 10 and 20 yards from the goal.

"Our offense and blocking looked all right—when we had the ball," said coach Carroll Sanders of Prather. "They (Bethalto) had played a game last week and knew what they had. We didn't. I think if we make a few changes, we'll be all right next week."

The Chiefs take on North Jun. for high at Collinsville Thursday afternoon.

From tackle to tackle our defense did well but we couldn't stop the end sweeps," Sanders said.

Warriors Run Well Behind Meet Winners

Granite City's Warriors finished well down the lists in varsity and sophomore competition Friday in the 19-team Edwardsville Invitational high school cross-country meet.

The varsity finished 10th with 371 points as St. Louis Southwest and River View Gardens, Mo., tied for first with 76. Belleville was third with 106, followed by Alton, 112.

Terry Pardeck of River View won the race over the 1.9-mile course in 10 minutes 33.8 seconds.

Granite City entries finished as follows: Jim Stephens (11:29), 39th; Steve Stamps (11:49), 64th; Keith Wilson (12:07), 78th; Bob Yates (12:19), 88th; and Mike Forcade (12:34), 102nd.

Coach Dick Harmon announced that the team is down to one letterman following the departure of John Bull, who will concentrate on academic pursuits. Earlier, letterman Maurice Lambert decided not to compete.

East St. Louis won the sophomore division with 44 points followed by Alton 100, Triad 129 and Wood River 144. Granite City was 12th with 322.

The local sophomores in order of finish: Gus Schalkham (12:19), 35th; Dave Lomax (12:20), 38th; Bob Alfaro (12:28), 81st; Mike Kewala (12:32), 83rd; and Charles Dean (12:39), 85th.

Harmon said that Stamps, the lone remaining letterman, and Forcade have been elected team co-captains. The Warriors entertain Collinsville tomorrow afternoon and Edwardsville Thursday afternoon at Wilson Park.

Boys Show Knack For Catching Fish

Two Granite City boys, eight-year-old Vernon Patrick and six-year-old Marshall Patrick, were the "junior champs" of fishing last week at Table Rock Lake near Galena, Mo.

Sons of Mr. and Mrs. Jack Patrick, they decided they wanted their own trotline and stretched one from the end of a dock to a small tree. They used small perch for bait and took a seven-pound, three-ounce blue catfish from their line.

Their parents did well, too, catching a string of 86 crappie, a white bass and three channel cats while lantern fishing in the Shell Knob-Viola area.

JUMPED INTO BOAT. Yep, that's what this hefty bass did, according to Basil Graville, 1616 Sixth street, Madison, who holds his prize. The fish weighs seven pounds, six ounces, measures 22½ inches in length. Graville said he was selling out limb lines about 9 p.m. Saturday on Horse-shoe Lake near Cairo when the bass, apparently attracted by a light, leaped into the boat. Graville wants to enter the state's contest for the biggest bass catch of the year but rules state entries must be caught on pole and line. With Graville when the oddity occurred were Lowell and Judy Mendenhall of the Southern Ohio Boat Dock. "If they hadn't been," Graville said, "I'd have just thrown it back and not said a word—nobody would've believed me."

VENICE WINS 16-6
Often when a baseball team has a bad inning, it seems that everything goes sour at once. But the seventh inning ended Friday afternoon by the Breese high school team must set an all-time record for misfortune. Breese's Cardinals were battling the Venice Red Devils in a tight Madison-Clinton-Macoupin Conference contest at Breese. After six innings, it was 6-6. But as the inning began, Breese second baseman Herbert Ben complained of a wrenched back and had to leave. That was only the beginning.

Starting pitcher Danny Hoar had thrown two balls to Terry Cooper, the first Venice batter, when he pulled a back muscle and had to be relieved. Enter Gordon Johnson from third base, Helman, while warming up, aggravated an ankle injury and he was bound before making a single regulation pitch.

So Bill Leslie came in from centerfield to try his luck. It turned out to be bad. On the first pitch, he was hit on the thumb of his pitching hand by the line drive of Cooper's bat and he, too, was through.

At this point, Breese coach Dale Ambler brought in Mike Meyer stayed healthy physically

meier stayed healthy physically but his pride was badly hurt as the Red Devils staged a 10-run rally to walk away with their fourth MCM victory without a loss. Final score: 16-6.

The outburst came with two errors and five walks. Venice made only three hits in the inning, a double by Bill Getz and singles by Rich Essington and Cooper.

The Cardinals had taken a 6-1 lead in the first two innings but Herbert scored a run in the third and then tied the game with a four-run fifth. That rally began with one on and two out. Then Cooper walked. Lee Gontierman tripled in two runs, Charles Smith singled in another and Howard Black's hit drove in Smith with the fourth.

Leading the MCM loop, Venice is at Livingston for another conference game tomorrow, and then is home to Fairview of Jennings Wednesday afternoon. Breese now has a 1-3 MCM record.

Score by Innings:
Breese 011 030 10-16 12 1
Venice 150 000 0-7 3
Cooper, Dillon (2) and Puntieri, Helman (7), Leslie (7), Hoar (7) and team.

Midgets Battle To 1-1 Deadlock

Rain washed out Saturday's schedule of YMCA boys' soccer games but a full slate was played yesterday.

In the Midget Division, Lincoln Place's Ray Beerra and Twilight Optimists' Dave Henderson scored as the teams played to a 1-1 tie.

Bantam games found Granite City Steel Credit Union trimming Mitchell Athletic Club 2-0 with Billy Brownbauer scoring both goals, and Buzz's beating St. Elizabeth's 3-1. Roberto Narvaez scored twice and Bobby Galvan once for the winners while Mike Wilson scored for St. Elizabeth's.

Brad Bickhaus scored in St. Elizabeth's 1-0 Atom Division win over Leaders Agency. In the same division, Mexican Honorary Commission swamped Gitcher Agency 6-0 with goals by Bob Test (2), Mike Cook (2), Wayne Canada and John Fulcher.

Ruben Mendoza, director, said a special exhibition between the YMCA Juniors and St. Louis Kutis, national junior champion, is set for 11 a.m. Saturday at Coolidge junior high school.

He also said one more Atom Division sponsor is still needed.

Sportsmen Return From Fishing Trip In Canadian Wilds
Six Granite City men returned this week from a successful fishing trip to the Canadian wilderness.

Lloyd Harlow, Harry Madling, Tom Walter, Henderson, Howard Baaden, Dr. David Friedman and Jack Green joined anglers from Collinsville and Chicago in making the excursion. They traveled in a leased DC-3 from the Civic Memorial Airport near Alton.

The outdoorsmen fished in Black Lake near Stony Rapids in Saskatchewan, Canada. The remote area is virtually unreachable by any transportation except airplane.

"We caught gobbs of fish," said Harlow. "I think we threw back more than 100. The catch were lake trout, weighing up to eight pounds with a few northerners weighing up to 25 pounds."

The planned six-day trip lasted nine days when the plane was fogged in. And, twice, the plane had to land due to mechanical difficulties—with road trouble in Minnesota and a bad motor in Winnipeg.

Second Bus Chartered For Illini Homecoming
Due to heavy demand, the Granite City Park district is chartering a second bus to transport local fans to the Illinois State homecoming football game Oct. 10 at Champaign. Eighteen tickets on the second bus are still available.

Cost is \$12.75 per person which includes game ticket, transportation and evening meal at Decatur. The group will leave Wilson Park at 9 a.m. that day and arrive at the stadium at about 12:30 p.m. Reservations may be made by calling Frank Rea at TR 7-0887 or the park office, TR 7-3059.

Two GC Men Charged With Criminal Trespass
Lester J. Brake, 27, and Larry Williamson, 22, both of 2601 East 23rd street, were charged today with criminal trespass of a motor vehicle.

They were arrested by Granite City police at 2:25 a.m. Sunday on the lot of Young's Auto Sales Co., 1501 State street. They were to appear before Magistrate William Traband of Edwardsville, sitting in the Granite City magistrate's court, later today.

United Fund Promotion

'Fair Share Club' Members Increase Donations 10.1%

Membership for the newly-formed "Fair Share Club" of the Tri-Cities Area United Fund is still open, and all new members will be awarded special lapel buttons. It was announced today by United Fund campaign chairman Joseph Glik and co-chairman John R. Hurdley. Membership now totals 65 persons.

The club was organized in August and a final report by the terms of the special "fair share" committee now are due. To be eligible, a member must subscribe at least one-half of one per cent of his annual income.

Subscriptions to date amount to \$8246, an increase of 10.1% over the amount given by the 65 contributors last year.

Top performer among the contributors to date is Harold R. Fischer with 77% of his project participating. E. El Vehil Jr. has reported 40% participation and E. G. Schmitt has reported 30% participation.

Madison Tavern Arrest, Woman Struck on Head
Gerald Leibold, 26, of 4289 Highway 162 was arrested for allegedly interfering with Madison Police at 8:30 p.m. Saturday at Buzz's 12th street tavern, 1201 Madison avenue, where a disturbance had occurred.

Mrs. Dorothy Forester, 1728 Edison avenue, a barmaid, was reported to have been struck on the right side of the head with a telephone receiver during an argument with Miss Phyllis Poole, 1544 Seventh street, Madison. Police denied today that charges had been filed against the two but conceded that they were ordered to appear in magistrate's court Oct. 10.

Car Rolls into Bus
An auto owned by James Gibson, 2222 Nevada avenue, rolled backwards out of a driveway at 1934 Adams street at 6:20 p.m. Sunday and struck the right rear of a Bi-State Transit System bus driven by Walter F. Baker, 39, of 118 Greiner Home Madison. Both vehicles were reported.

Consult

Jim Henderson

About This Question:

"Cars are more expensive, more powerful and more numerous each year. Auto accidents are more frequent and damage claims are higher. Does a \$50/100,000 auto liability policy cost only a few dollars more than a \$10/20,000 policy, and give really adequate liability protection?"

MORE ABOUT

Rain Adds

(Continued from page 1)

23rd street. It was raining heavily.

Police filed a charge of following too closely against Witt. His hearing was set for Oct. 6.

Five Persons Hurt

Five persons were injured at 9:35 p.m. Friday at 23rd street and Madison avenue as cars driven by Virginia Ann Rydick, 19, of 1544 Joy avenue, and Robert McDonald, 18, of 3800 Lake drive, collided head-on. McDonald's auto was knocked back into a car driven by Melvin Barnhart, 32, of 2520 Circle drive.

Taken to St. Elizabeth Hospital were Miss Rydick with head and neck injuries and a cut to her left knee; Mrs. Virginia P. Rydick, 42, her mother, with abrasions to the left knee and injuries to both legs and a shoulder; Craig Rydick, 11, of the same address, with abrasions to the forehead and left elbow; Christina Bauman, 15, of 2412 Glen place, with abrasions to the forehead and left elbow; and Tom Bloodworth, 17, of 54 Kaasberg lane, another McDonald passenger, with a cut on the forehead and abrasions to the left arm and both knees.

All three cars were damaged. The Rydick girl was charged with improper use of an instruction permit.

Traffic Light Broken
Beryl Wheatley, 24, of 22 Bradley avenue was injured at 5:25 a.m. Saturday in a two-car collision which knocked down an electric traffic signal at Main street and East Broadway. Alton. He was treated at St. Elizabeth Hospital here for contusion and strain of the upper and lower back and strain of the left wrist.

Police charged Billy Lee Tutt, 37, Bethalto, with improper signs and signals and Wheatley with destruction of property. The Tutt car had skidded, causing the other auto to hit its left rear and then shoot off the right hand.

Raymond E. Douglas, 40, of 1311 Pershing avenue, complained of neck pains after his car struck the back of another driven by John O. Baine, 22, of Rural Route One, who was attempting to turn left off of Madison avenue at 23rd street at 11:20 a.m. Saturday. Douglas said he could not stop because of wet pavement.

Hurt On Bridge
One person was injured and another was arrested by Venice police as the result of a three-car collision on the east approach of McKinley bridge at 5:30 a.m. Friday.

Betty Ann Mayfield, 33, of 2401 Madison avenue, driver of one of the cars, suffered neck and shoulder injuries, but did not require hospital treatment.

Michael R. Acton, 24, Bridgeport, Mo., was arrested on suspicion of careless driving and failure to pay a toll on McKinley bridge. He posted \$50 cash bail pending a hearing Oct. 3.

The accident occurred when Acton's car, headed west, collided on the curve at the top of the east bridge approach with the Mayfield car, which was heading east. The accident occurred when Acton's car, headed west, collided on the curve at the top of the east bridge approach with the Mayfield car, which was heading east.

Two Hurt In Crash
Two persons were hurt about 10:50 p.m. Friday when a car driven by Wilbert A. Head, 32, of 2603 Lincoln avenue, struck the rear of another car driven by John M. Bowman, 64, of 3051 Washington avenue, pushing it 300 feet at 20th street and Edwardsville road as both were headed east on Edwardsville road.

Mrs. Martha Bowman, 64, was treated at the hospital for neck injuries and was released. Head suffered minor injuries and was charged with following too closely. He is to appear in court on Oct. 5.

Miss Vivian Raffaele, 42, Highland, was treated at St. Elizabeth Hospital for a forehead laceration sustained at 2:45 p.m. Thursday in a collision between her eastbound car and the westbound auto of David Hayes, Collinsville, in the eastbound lane of Route 162 near Lake grade school. She is being treated at Central Junior high school and at the Emerson and Mitchell grade schools.

Alma R. York, 65, of 131 Garces Home, Madison, complained of pains after the rear of her car was struck by a green hit-and-run car at 3 p.m. Thursday at 20th street and Madison avenue. Both were headed north on Madison avenue.

Windsied Broken
Richard Cain, 157 Big Four place, Mitchell, reported at 7:30 a.m. Sunday that the windsied on his 1959 auto was broken while it was parked at 2632 Grand avenue.

day at 20th street and Madison avenue. Both were headed north on Madison avenue.

Three Suffer Burns, Two Children Admitted

Hot liquids burned three persons as six persons were given emergency treatment at St. Elizabeth Hospital for mishaps suffered Sunday.

David Claussen, 2½, son of Robert Claussen, 3116 Edgewood drive, suffered burns and blisters to his right arm from the shoulder to the wrist when a pan of hot water spilled on him. He was admitted for further treatment.

Debra Ann Kierski, eight, daughter of Frank Kierski, 518 Washington avenue, suffered burns and blisters to her left leg from the thigh to the lower leg when her brother spilled bacon grease on her. She also was admitted.

Thomas Thomas Jr., 40, of 174 Courtney blvd., received burns and blisters to the left leg when a cup of hot coffee spilled on him. He was treated and released.

Karl Lynn Gae, four, daughter of Wayne Gae, of 2233 Ohio avenue, was hit on the right elbow with a brick and received a laceration to the elbow. She was treated and released.

Ronald Cottrell, five, son of Billy Cottrell, 1808 Poplar street, swallowed a small plastic bottle. He was treated and released.

Edwin Dean, 10, son of Mrs. Ellen Dean, 5024 Lakeview drive, stuck a bamboo stick in his right middle finger. He was treated and released.

8 Undergo Surgery At St. Elizabeth Hospital
Eight persons underwent surgery since Thursday at St. Elizabeth Hospital.

They include: Lorraine Summerford, 1625 Sycamore avenue; Emily P. Freeman, 2935 Morgan street; Gary D. Carr, Caseyville; Hoyte J. Fowler, 2901 Warren avenue; Peter Skandrick, 1617 Elizabeth street; Ira Q. Long, 2700 Denver street; John A. Polson, 2909 Madison avenue; and Clair Shuppert, 42 Moorland drive.

MORE ABOUT

Co-ordinating

(Continued from page 1)

refused even to consider these points and agreed to go along only with a vote on that part of the report setting up the coordinating committee.

Immediately after the new committee was approved, G. Townsend, vice-chairman of the Bi-State Development Agency and chairman of the meeting, named a four-member, "technical committee" of two Missouri and two Illinois members within the new coordinating group. The committee is to work out the source of funds and professional workers to prepare the prospectus that will set forth the planning to be undertaken by agencies. The prospectus is to be in such detail that each planning agency can approve or reject its particular assignment.

Both Sides Represented
Townsend, acting on suggestions from the floor, named to the technical committee William Krause of the Illinois Division of Highways and Mayor Alvin Fields of East St. Louis, representing Illinois; and Mayor Raymond Tucker of St. Louis and Mayor E. Ellis Moore of St. Louis, representing Missouri.

Once the coordinating committee was established, the discussion revolved into a difference of opinion over the method of obtaining funds for preparation of the prospectus which would determine policy, outline method of operation and set a pattern for actual planning work yet to be done. Col. R. E. Smyser, executive director of the Bi-State Agency, said he had been assured a \$20,000 grant from the federal government.

St. Louis as a beginning on the prospectus work and that a like amount probably could be obtained from the federal government. Missouri members indicated they preferred that the state handle the job applying for the funds.

Illinois members reacted quickly. Graves told the group that the Illinois Board of Economic Development is prepared to work on the prospectus and that he would handle the job applying for the funds.

Mayor Raymond Tucker set off the major fireworks when he made a motion that the Bi-State Development Agency be named as its medium for securing the funds for the project.

This brought a quick response from Illinois representatives. H. A. Klug, representing Madison county, said that if Bi-State requested a federal grant for a general planning program, "it would cut off other grants for other things."

Takes Exception
Leo O'Connell, O'Fallon, Ill., representing the St. Clair county board of supervisors, took an even more severe exception: "If Bi-State is allowed to make an application for a grant for preliminary work like the prospectus, then they have put their foot in the door and they would remain so in the future."

O'Connell said the St. Clair county board of supervisors has gone on record wanting all Illinois operations, including grants, to be handled by the Southwest Illinois Metropolitan Area Planning Commission, and that the St. Clair county board will stay with that position because that is the way the people want it.

Graves, who at one point presented a statement of "10 major points" involving the issue of coordination, planning and possible solutions, said the State of Illinois is ready to do everything possible to work out the difficulties of the coordinated planning problem, and that as a means of eliminating the controversy over "state lines" Illinois will be willing to "loan out the professional help he had mentioned to the SWIMAP, through which the prospectus work could be handled as a non-state, but as an area project."

Dalton Favors Bi-State
Unexpected development during the meeting was the announcement by Robert Simonds, representing the Missouri Division of Commerce and Industrial Development — counterpart to the Illinois Economic Development Board — that Missouri Gov. Dalton had announced he now favors planning at a local level and that area planners (on the Missouri side) should go through the Bi-State Agency for federal grant.

"I don't know if that is generally known," he said.

Graves remarked: "I can assure you that it was not."

In recent weeks, Gov. Dalton of Missouri had indicated he would go along with Graves on a state level planning program.

At this point, Col. Smyser pointed out that state highway departments of both states "have been able to get along together and I don't see why that isn't possible in our case. The question has now arisen as to whether we are going to bring the area together or turn our backs on each other at the river as we have done for 200 years. It's time we do something about it."

Col. Smyser, reiterating a suggestion made earlier by Mayor Fields of East St. Louis, pointed out the possibility that

the \$20,000 available from the Greenfelder Foundation and the technical help offered by Graves might be sufficient to work out the committee prospectus without the necessity of applying for federal funds. Graves agreed to said \$20,000 and his technicians should do the job.

Technical Committee
This removed the problem of applying for a federal grant and who was going to do it, but to remove any element of Bi-State Agency influence Mayor Tucker, who had moved for Bi-State action in the first place, made a new motion calling for appointment of the technical committee within the newly-named coordinating committee to contact the Greenfelder Foundation, meet with Graves and Col. Smyser and arrange for financing and preparation of the prospectus work.

The meeting was held in Holiday Inn at East St. Louis within a few hours after Gov. Dalton of Missouri had announced publicly his new stand along lines of local planning administration rather than along state lines which Graves said he had previously understood the Missouri governor had favored.

During the discussion St. Louis county Supervisor Lawrence K. Roos asserted that "this is a real example of how a federal program is self-defeating when, instead of uniting an area, as it was meant to do, it has become divided on who is to handle the money."

There appeared little doubt that even Missouri representatives considered Gov. Dalton's new stand on local planning participation a complete reversal of his previous stand.

Progress Noted
Members questioned after the meeting were in agreement that definite progress had been made toward demands of the new Federal Highway Act, Mayor Tucker, among others, said "We have made progress today. At least we are heading in the right direction toward something more definite than we have had before."

Membership of the new East-West Gateway Coordinating includes:

Missouri: St. Louis and East St. Louis, St. Louis county supervisor; presiding judge of St. Charles county, presiding judge of Jefferson county, chairman of the St. Clair, Madison and Monroe counties boards of supervisors; St. Louis County League of Municipalities, Southwest Illinois Council of Municipalities, Missouri

Leroy Crawford Dies In Hospital of Cancer

Mr. Crawford, 60, of 1501 (rear) Madison avenue, Madison, died in St. Elizabeth Hospital at 9:45 p.m. Sunday following an illness of six months. He had been a patient in the hospital 32 days. Death was due to cancer and a heart ailment.

Mr. Crawford was born in Nickel, La. He moved to Madison from Ferriday, La., eight years ago and had been employed as a cab driver. He was a member of the First Baptist Church at Alton, La.

His wife, Ada Mae Crawford, preceded him in death in 1934. He leaves six children, James Crawford, Hicksville, N.Y.; Lee Allen Crawford, in the U.S. Army; Raymond, Newt and Henry Crawford and Mrs. Helen Foyt, all of Ferriday, La., and eight brothers and sisters. Herbert Crawford, Villa Platte, La.; Fred Crawford, San Francisco, Calif.; James Crawford, Granite City; Hansford Crawford, Baton Rouge, La.; Seth Crawford, Alexandria, La.; Robert Crawford, Alton, La.; Mrs. Harrison (Hazel) Crawford, Jonesboro, La., and Mrs. Joseph (Myra Ruth) Moreau, Olla, La., and six grandchildren.

Funeral services will be held at 10 a.m. Monday at the First Baptist Church at Alton, La.

State Highway commission, Illinois Dept. of Public Works and Buildings, a member to be appointed by other Missouri representatives, Southwest Illinois Metropolitan Area Plan commission, Missouri State Division of Commerce and Industrial Development, Illinois Board of Economic Development and the Bi-State Development Agency.

New Bridges at River, Canal Taking Shape

RIBBON OF STEEL all the way across the Mississippi River will support lanes on new Interstate Route 270. This view, looking west, shows construction workers on the fifth concrete pier from the Illinois shore. The interstate by-pass route is expected to be completed by the end of 1965.

TWIN SPANS NEARLY LINKED over the Chain of Rocks canal for Interstate Route 270 are shown in this view looking northwest. Workers are visible on the distant concrete pier.

More of Route 270 May Open in 90 Days

Opening of another section of Interstate Route 270 east of Mitchell is scheduled for this year and may occur within 90 days, it was learned today from the state highway department at French Village.

Completion of the Interstate route from the Mississippi River to its junction with Interstate 55 and 70 near Troy are expected to be completed by Dec. 31, 1965, William Krause, district engineer, said.

This would include the bridges now under construction over the Mississippi River immediately north of the Madison-owned Chain of Rocks bridge and the bridge over the Chain of Rocks canal.

All contracts for work on the interstate roadway between the river and Troy have been awarded. Krause explained the highway number with the prefix "70" designates a route.

Distance Of 8 Miles

The forthcoming opening of the roadway east of Route 111 will extend to Route 139 for a distance of about eight miles. Quad-Cityans going to Edwardsville by way of Mitchell and Interstate 270 will proceed

Progress Citation

Mr. and Mrs. James Myrick of Granite City were awarded a progress citation for the operation of the Caseville Nursing Home at Caseville. The award was announced at the 16th annual institute for nursing home administrators held at Monticello last week.

Driver Arrested

Arrested at 12th and Meridian streets at 11:50 p.m. Saturday, John Nishke, 17, of 1641 Fourth street, Madison, was charged with careless driving. He was released to return for a hearing Oct. 10.

MONTHLY MEETING OF MISSIONARY SOCIETY

The Women's Missionary Society of Second Baptist Church met Tuesday evening at 7:30 p.m. for a program and business meeting.

The Naomi circle, with Mrs. Betty Lewis leading, was in charge of the program, "Race Relations—A Determining Factor in World Missions." Those assisting were Mesdames Sue Burkhardt, Elsie Sturdivant, Arlene Smith, Jean Wyatt, Naomi Rongey, Ursel Woodward, Esther Showers, Charlene Sanders and Melva Roberts. Mrs. Lewis gave the closing meditation.

The business session was led by Mrs. Sturdivant, president. New circles were formed for the coming year.

Closing prayer was given by Mrs. Ruby Mayberry. Others present were Mesdames Amy Tony, Irene Broadway, Ethel Cox, Betty Fowler, Rosemary Wilson, Iva Biggs, Norma Rains, Georgia Mitchell, Shirley Mayberry, Dorothy Barnes, Minnie Cavins, Minerva Kauffman and Gertrude Beger.

BOY SCOUT TROOP 122 TO REORGANIZE

A meeting for parents of boys between the ages of 11 and 14 who are interested in becoming Boy Scouts will be held Tuesday at 7:30 p.m. at Wilson school.

E. J. Rodgers will be in charge of the meeting and reorganization of Boy Scout Troop 122. This meeting is for the parents only.

MOTHERS OF NEW PUPILS TO ATTEND COFFEE

Lake school PTA will hold a coffee klatch Wednesday for the kindergarten mothers and parents of new Lake school students.

The group will meet at 1:30 p.m. in the gymnasium.

It is announced that sale of savings stamps will begin at the school Tuesday.

SENIOR GIRL SCOUTS ELECT NEW OFFICERS

Senior Girl Scout Troop 110 sponsored by Niedringhaus Memorial Methodist Church met Thursday evening with the troop advisor, Mrs. William Bolinger.

A rededication ceremony was held with all 12 members of the troop rededicating themselves to the Girl Scout promise and laws.

Two new patrol leaders, Norma Thorne and Paula Spahn were presented patrol leader cards.

Other newly-elected officers are Cathy Zernick and Lois Kueker, assistant patrol leaders. Elizabeth McDonald and Nancy Tripp, planning board representatives. Carolyn Yotow, treasurer, and Karen Cochran, scribe.

Plans were made for a week-end camping trip at Camp Leota by the above mentioned and Alta Bollinger, Marlow Clark, Kathy Pierce and Sue Prewett.

The meeting closed with the singing of "Taps" led by Mrs. Bollinger.

Rain Causes Accident

The back of a car driven by George Barnhart, 37, of Poca-honias, was struck by another driven by Raymond Romine, 19, of 2861 Cleveland blvd., who was unable to stop in time on wet pavement as each headed north on Nameok road at 8:53 a.m. Saturday.

Car Turns in Drive, Hit

A car driven by Mary C. Darson, 3332 Red Bud avenue, was struck in the back at 1:30 p.m. Friday at 2130 Johnson road by Gary S. Carter, 1701 Sycamore street, as she was turning into a driveway. Both were headed east.

CHATTERBETTES CLUB HOLDS GET-TOGETHER

The Chatterbettes club met Thursday evening at the home of Mrs. Mary Bucherich.

High scores were held by Mrs. Caroline Sandor, Mrs. Josephine Kubelka and Mrs. Mary Kubelka.

Others present were Mesdames Helen Gieseleimann, Mary Greig, Ann Fryntak, Ann Barry, Mary Blankenship and Olga S. Maria.

Refreshments were served by the hostess and members arranged to meet next month at the home of Mrs. Caroline Sandor.

VISITORS LEAVE

Roger Meyer and Vincent Gordon of Saginaw, Mich., left Friday after spending two days visiting Mrs. and Mrs. Joe Kennerly and family.

MRS. SOBZAK HOSTESS TO CLUB

Mrs. Lucille Sobzak, 4280 Highway 162, entertained her club Wednesday night.

Prizes went to Mrs. Marsha Sobzak, Miss Lona Lassen, Mrs. Lois Harp and Mrs. Jettie Lassen. Mrs. Geniva Kopchak also was present.

Refreshments were served by the hostess and the club will meet in two weeks at the home of Miss Marsha Sobzak.

OFFICERS ELECTED BY BROWNIE TROOP 433

Brownie Troop 433 met Thursday evening with Mrs. Judith Elizabeth McDonald and Nancy Tripp, planning board representatives.

Those elected were Barbara Siebert, president; Debbie Mill, vice-president; and Terry Mills, secretary-treasurer. The remaining girls will serve on the planning committee.

Brownies present were Terry Mills, Barbara Siebert, Debra Mills, Sandy Carter, Marsha Ren, Debbie Lester, Debbie Hand and a guest, Mary Becker.

PARTY AT SOBZAK HOME

Miss Marsha Sobzak, 4280 Highway 162, entertained with a party Saturday night. The group played games and danced.

Refreshments were served by Sharon Klann, Joyce Sobzak, Henry Minceff, Cheryl Flak, Robert Fink, Nancy Chandler, Sharon Windoff, Danny Casey, Joyce Sampson, Kathie Sampson and Tommy Sampson.

Tri-City Park

MRS. LEOLA TUCKER
1234 Edwardsville Road
TR. 6-7227

Mrs. C. M. O'Guan was guest speaker at the Ladies' Auxiliary meeting at the Pentecostal Assembly Church Friday. There were special songs by Mrs. Ruth Maynard and her son, Mark. Betty Johnson and Ann Kraus.

Mrs. Ernel Williams read a poem and led the group in singing. Mrs. Maynard dismissed the group with prayer.

The ladies enjoyed a pot luck dinner. The next meeting will be Oct. 9 at 10 a.m. with Mrs. Harriet Proctor as speaker.

WOMEN'S MISSIONARY DINNERS

The Women's Missionary Council of the Tri-City Park church met Thursday morning for a devotional service led by Mrs. Marge Hildreth.

Quilting and handwork were enjoyed, honoring those who had birthdays in August and September.

Those present were Mesdames Grace Hecht, Dora Stroud, Amelia Gifferty, Opal Holman, Mable Keel, Elsie Mathenia, Donna Bone, Orla Burris, Ella Thompson, Eleanor Polizzi, Melinda Arnold, Elma Rudlicka, Opal Compton, Fenia Armhart, Delores Townsend, Thelma Knapp and Marge Hildreth.

IRMA Meeting Wednesday In East St. Louis

The Illinois Retail Merchants Association will hold a regional meeting Wednesday in the new Illinois Club in East St. Louis, starting at 4 p.m.

Joseph Meek, association president, will be the principal speaker and the topic will be "What's Ahead in '65?" Maurice Rich of Rich's Ladies Apparel store is an area chairman for the association.

Parking Lot Accident

An auto driven by Frances Swift, Willowville, Mo., rolled into the right side of one driven by Donnie Clouse, Fordland, Mo., at 2:15 p.m. Friday on a parking lot at 18th street and Madison avenue.

Canal Widening Decision Made Current Port Development Possible

Tri-City Regional Port District officials are right in giving much of the credit to the Army Engineer Corps for their current project along the northern part of the local harbor.

The storage tanks and cargo handling facilities being developed by the Army Engineer Corps have not been possible unless the advisability of dredging 700 feet wide for a distance of more than a mile had been pointed out by the Engineers when they planned the seven-and-a-half-mile Chain of Rocks canal.

It will be recalled that the harbor which was created remained unused for a time after work on the canal and nearby locks was completed. Then the B-St. Louis Development Authority, through its City Steel Co., established a river freight terminal which included public dock space along the southern portion of the harbor. Now, nearby frontage is being developed by the port district as the first step in establishing a large-rail-truck transportation center that could lead to a major canal industrial complex.

Many others have played a part in the subsequent development, but the foresight of the Engineer Corps and local Democrats are optimistic, and so are local Republicans. Party headquarters currently are being opened here.

One of the more interesting aspects is which of the two state rivals will top his party's presidential candidate; polls and most observers see Percy coat-tails aiding Senator Goldwater, with the governor helped by President Johnson, but the Chicago mayor predicts just the reverse—Gov. Keiser far ahead of the Democratic national ticket, as happened in 1960.

Historically speaking, Republicans have been more successful than Democrats in attaining most state offices, although the reverse is true in regard to state attorney generals and U.S. senators. Each party has elected 22 secretaries of state in the past 146 years.

All agree that the degree of Democratic victory in Gov. Keiser's county will be decisive; a 250,000 lead probably would offset the Republican downstate edge, but a majority of under 200,000 could lead to a GOP sweep.

An idea how to ascertain the prognosticators are at this point is given by the views of a veteran Quad-City politician: "Illinois is usually a Republican state, except in some presidential election years."

Americanism: People in the country trying to get into the cities, and vice versa.

Who Is Going To Ride Whose Coat-Tails In Illinois?

Will Illinois elect its 20th Republican governor since becoming a state in 1818, or re-elect its 16th Democratic chief executive?

The question is gaining wide attention because the contest is being called a 1968 Republican presidential nominee—if he wins the gubernatorial race and if the 1964 national standard-bearer loses.

As might be expected at this stage of the campaign, local Democrats are optimistic, and so are local Republicans. Party headquarters currently are being opened here.

One of the more interesting aspects is which of the two state rivals will top his party's presidential candidate; polls and most observers see Percy coat-tails aiding Senator Goldwater, with the governor helped by President Johnson, but the Chicago mayor predicts just the reverse—Gov. Keiser far ahead of the Democratic national ticket, as happened in 1960.

State Role In Defending State Assessments

The next Illinois General Assembly has been provided for thought by the Madison County Board of Supervisors, which calls attention to the legislative agenda—Madison County's Attorney Bernard in defending state railroad property assessments.

As the board points out, information on rail tax protests in other counties is not readily available, nor are other counties fully familiar with the history of assessment litigation in Madison county. If the valuation pattern is to be argued in detail in every part of Illinois, the Department of Revenue and other units of state officialdom may need to play a larger role than they did here.

Certainly, if much thought is to be given at Springfield to revamping the state tax structure—"revenue reform" usually is listed near the top of the legislative agenda—the whole field of railroad taxation should be gone over thoroughly so that the long court controversy can be ended.

Granite City Large Enough To Require Full-Time Engineer

Creation of the office of public engineer is a good idea. Granite City is big enough to justify employment of a full-time engineer to aid in the planning and maintenance of facilities and improvements of the city's water supply.

As stipulated in the ordinance adopted last week, it is important that the city seek a "registered engineer eligible for registration in Illinois" who would be "available to the city full-time."

The point of having such an engineer is not only his ability but also his availability; unless the individual hired is in the office to regulate housing and plumbing, the city would lose the potential benefit from creating the position could be nullified.

The ordinance does not specify the number of houses and does not state that the engineer to be hired is the same one expected to actually perform the services, but this would appear to be its intent. If this is made clear when the appointment takes place, the city can look forward to adequate engineering assistance; nothing less would be satisfactory.

Assassination Failed To End Wide Distribution Of Weapons

More than ten months have passed since the presidential assassination, which again is in the news with the completion of a detailed investigation by a seven-member commission.

Unfortunately, there has been little or no tightening of restrictions on gun sales, and inexpensive but deadly weapons still reach the hands of many persons whose reliability and intentions are questionable. Teenagers progress down the path to crime, and hardened criminals are a constant threat.

The Quad-City area also has its share of weapons was indicated by this month's Chain of Rocks Canal search, which failed to locate a particular handgun weapon but did produce four rifles, a shotgun and several handguns.

Identify of the buyer and the reason for his purchase—target shooting, hunting, protection of his home, etc.—should be a factor in gun sales, as the death of President Kennedy so clearly demonstrated. There could never be 100% success in keeping weapons out of the hands of criminals and other unstable persons, but stricter control could reduce the danger considerably.

Second Gas Pipeline Important To Future Growth Of Community

Competition is healthy in many fields of endeavor, and a substantial amount of gas piped from the south would be a long-range boon to Quad-City residential, commercial and industrial users of natural gas.

Thanks to underground storage and other efforts by Illinois Power Co. to have the maximum amount of gas available, there have been no serious shortages here in recent memory. But the growth potential of the Quad-Cities and surrounding areas makes it imperative that there be a constant demand for more gas, as the federal examiner said.

Along with other fuels and natural resources, gas is essential to the long-range prosperity of the manufacturing area and population centers as the local community. There is a good chance now that the amount available will pose no problems in the foreseeable future.

Record GC Tax Collection Tops \$5,600,000 Mark

Granite City tax payments totaling \$5,601,038—the greatest amount of taxes ever paid during a local collection period—were reported today by E. R. Rich, city treasurer and town collector following final collection of last-minute payments.

The total collection represents \$5,601,038 in 1964 real estate and personal taxes, a total of \$1,676,171 that brought the aggregate payment to \$5,601,038. This figure included \$3,250,259 in real estate taxes and \$2,350,779 in personal taxes.

Total billing for Granite City township at the beginning of tax year ago, during the 1963 collection period, personal tax payments totaled \$2,100,284. Granite City received \$2,350,779 during this year's collection.

Local agencies pay bills. He pointed out that a big share of the tax payments which permitted the treasurer's office to set a record collection this year was received on Sept. 22.

Local agencies benefit from greater tax collections by the local collector since a 2% commission for collection work is allowed under state law for the town collector. The county treasurer's office has received 5% on collections made by the office.

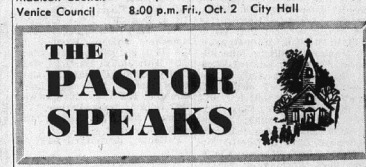

The local tax collection period ended at 5 p.m. Sept. 23. At that time, Rich reported total collections of \$5,384,277 in both real estate and personal property taxes, but he pointed out that a large amount of payments had been received by mail and these had not yet been tabulated.

He said today that these mail payments amounted to \$941,117 in real estate taxes and \$749 in personal taxes, a total of \$1,676,171 that brought the aggregate payment to \$5,601,038. This figure included \$3,250,259 in real estate taxes and \$2,350,779 in personal taxes.

Local agencies benefit from greater tax collections by the local collector since a 2% commission for collection work is allowed under state law for the town collector. The county treasurer's office has received 5% on collections made by the office.

Grassroots Government

This week's meetings of Quad-City area taxing agencies:
GC School Board 7:30 p.m. Mon., Sept. 28 2014 State St.
GC City Council 8:00 p.m. Tues., Sept. 29 411 City Hall
Madison Council 8:00 p.m. Wed., Sept. 30 411 City Hall
Venice Council 8:00 p.m. Fri., Oct. 2 311 City Hall

REV. JAMES R. CRADDOCK Central Christian Church

What is religion? Being an abstract word it may mean one of a variety of things depending upon the person using the term.

It has been said that religion is what is done with one's solitude. Those who have a meaning of religious faith, worthy to be called such, testify that they are supported and sustained by it in the shadow but necessary way of earning a livelihood, but in the real sense of having a purpose and meaning for life.

For the moment, think of religion as compared to a three-legged stool. In order to be quite supported, each of the three legs of the stool must be of equal length. If one leg is longer than the other, the stool will be unbalanced and will fall.

Emotion, Intellect, Will Power Religion has three aspects that correspond to the three faculties of man—emotion, intelligence and will power. Man feels, he thinks, and he acts, and we have seen religion associated with all three varying degrees.

If one is to have a vital religious faith these three aspects of religion must be in balance. If one's religion is lopsided, with one leg larger than another, his religion is unbalanced and will greatly reduced. It is not necessary to look for examples of a distorted religious faith.

Consider religion as emotion. We readily admit the great power of emotion occurring in religion. Emotion adds meaning and life and keeps it in motion. Joy and sadness, love and hate, hope and despair, envy and pride, and a host of other "feelings" go to make up our emotional self.

If properly controlled and channeled, our emotions are a great asset. However, if not properly controlled, they will run riot. Our Lord emphasized emotion as the primary response of man when he said, "Love the Lord your God," and "Love your neighbor." In fact, Jesus said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him. Our Lord said to give our hearts in full surrender to him.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

THURSDAY, SEPTEMBER 28, 1939

Job's Daughters Mothers' Circle met Tuesday afternoon at the Masonic Temple and entertained for new members. Mrs. Charles Maeller, Mrs. George Stearns, Mrs. Gerald Broadway, Mrs. Alma Lomax, Mrs. Mary Rydick, president, was in charge and after a rather long business session, the ladies were entertained at cards and Chinese checkers.

Mrs. A. T. Smith and Mrs. L. E. Parker were hostesses and awarded prizes to Mrs. Henry Keiser, Mrs. H. H. H. Ben Dempster, Mrs. Brinley Bodman and Mrs. Lomax.

Members of Sarah Jane McEvers Tent, Daughters of Union Veterans of the Civil War, were guests of the Katherine Marks Tent in Atlantic City, Md., Tuesday afternoon.

The Matrons' Literary club met at the home of Mrs. Bruce Champion and during the business session, elected two new members, Mrs. Walter Lideman and Mrs. J. B. Oge.

The club voted to support the members volunteering for the work. Mrs. John McElwain gave a review of the "Eastward Ho, In Eden," and Mrs. Henry Conzel reviewed the movie, "Juarez."

The Missionary group of the Mitchell Presbyterian church held an all-day quilting party and pot luck dinner Wednesday at the home of Mrs. John Estes.

Mrs. M. E. Kirkpatrick, who returned yesterday after spending a month in Miami, Fla., said that city is bustling with building activity as 23 new, large hotels are in the process of construction and a substantial addition to the city's population is expected on the tremendous winter season due to closing of most European resorts because of the war over there, Mrs. Kirkpatrick said. Some of the winter society group already were beginning to arrive a month before the season opens in order to assure themselves of suitable accommodations.

Women fill more responsible positions in Miami than they do here, Mrs. Kirkpatrick added. She found them in banks and also working as pharmacists.

The opening of the A&P Supermarket drew a large crowd of shoppers yesterday. The store is the type of use in metropolitan cities. The store is self-serviced, with light-weight shopping gliders provided for the convenience of customers.

All purchases are paid for at a check-out counter, where modern cash registers now itemize receipts. Experts have been training employees of this store.

THE FORUM

Name and address must accompany each letter but will not be revealed if anonymity is requested. Communications of less than 250 words will be given preference. All are subject to condensation and grammatical changes. Letters with obvious misstatements or tending toward hate or fear will be rejected or edited.

SCHOOL PSYCHOLOGICAL TESTS AND LEE OSWALD

To the Editor: In the Aug. 31 issue of the Press-Record, a Forum letter written by Alice Hanchett of St. Louis, Mo., was printed. She gave her opinion why Bill H.R. 7743 should be passed, allowing parents to decide whether or not their children should take psychological tests given at school. I am assuming she must be a parent, for she writes as if she would write to a newspaper 100 miles away? Probably every newspaper received such a letter.

I take exception to her point of view and feel that thoughtful parents should disagree with her. If a parent is a tyrant, he will use such of their useful stability would be impossible in such cases, for mentally unstable parents are the very ones who would refuse permission. I have seen psychological tests administered in schools and the psychologists in charge, which is not what Miss Hanchett would have you believe.

Madison Lions Club Aids YMCA Judo Group

A \$25 donation to the YMCA Judo club was authorized Thursday evening by the Madison Lions during a weekly dinner meeting attended by 22 members at the Sportsman's club, Madison.

The gift is to help defray expenses by the local judo group which plans to send contestants to the first annual Junior National Championship Meet, slated to be held in Miami Beach later this year.

Mike Sasyk reported progress on the annual Halloween masquerade ball arranged for Oct. 24 at the Sportsman's club. The public is invited to attend the affair which will feature dancing, a buffet dinner and prizes for original costumes. Tickets are available from Madison Lions club member for a donation of \$1.50.

George Diller presented a report on a Lions Zone meeting held last week at the Edwardsville Gun club, representing the Madison club with Diller were Emmett Pavia and Edward Dush.

A board of directors meeting followed the regular session with the executive making tentative plans to provide club members with a "special treat" within the next 30 days.

Madison Sr. Citizen Meetings Tomorrow

The Senior Citizens Club of Madison, organized recently under the auspices of the YMCA, will begin regular meetings Tuesday at the Madison Recreation Center.

There will be an afternoon meeting at 1 o'clock and another at 7 o'clock in the evening. The program for the afternoon is under the direction of Mrs. Bonnie Fuller and Mrs. Freda O'Guin of the YMCA, and Jerry Zalm of the Madison Center.

In the evening Mrs. Opal Fogle will be in charge. Anyone interested in joining either the afternoon or evening groups is invited to attend.

United Fund's CYS Has Rising Work Load

The Co-ordinated Youth Services, a United Fund agency that originally was established as a referral service for other agencies but since has developed into a valuable counseling unit for youngsters who run afoul of the law or today's social standards, depends upon the United Fund for the majority of its operating income.

So extensive have the agency's operations become, in fact, that the need for an additional case-worker and additional office space have been recognized by the agency's board of governors for several years, but a budget increase in an amount sufficient to allow expansion has not been available.

The United Fund has allowed a 1965 operating budget of \$20,000 for the agency, an increase of \$2,000 over its 1964 allotment of \$18,000.

The agency, located in the Granite City hall, is staffed by three persons. These include the director and caseworker Mrs. Kirby, a member of the staff since 1945; Mrs. Gladys Bass, a caseworker for ten years; and Mrs. Lillian Douglas, secretary. Mrs. Kirby pointed out that the staff, during 1963, handled 729 cases, and that the staff is no larger today than it was when the agency handled 224 cases in 1950.

Types of Cases
Largest category of cases handled by Co-ordinated Youth Services is that of general behavior problems, including anti-social delinquency that could take the child into court. "Incidental services" which include the groundwork in referral cases and out-of-state cases, also are an important part of the organization's activity.

Other activities include family services, school truancy, theft, car theft, shoplifting and vandalism.

Growing importance of the work done by the agency is seen in last year's case report, showing the agency handled 300 new cases compared to 281 new cases in 1962 and 278 new cases in 1961. Recurrent cases showed the biggest increase, with the agency handling 191 cases which previously had been dismissed but which were reopened. In 1962 the agency handled 142 cases of this type and in 1961 handled 137.

Cases listed as "active" recur.

THREE STAFF members of the Co-ordinated Youth Services handle a constantly increasing load of cases as one of the busiest of the United Fund agencies. Mrs. Kirby (right) director of the agency, has been on the staff since 1945. Mrs. Gladys Bass (center) is staff caseworker and Mrs. Lillian Douglas (left) is secretary. Originally established as a referral agency, Co-ordinated Youth Services has developed principally into a counseling service.

In addition to its United Fund budget, the agency usually receives several thousand dollars for dependent children, but the money is used directly for those individuals and has no effect on the agency's local work.

Interviews involving the child and the parent usually are the initial step in any case reaching the agency. The child usually is referred to the agency on a weekly basis on a voluntary basis, the process lasting anywhere from six weeks to 18 months or more.

Loan Firm Seeks Payment
For Car in Shooting Case

Losha Robinson, Marjorie Ferguson and Wilfred C. Bennett of Granite City have been named defendants in a suit filed in Madison county circuit court by the Reliable Loan Corp. which seeks \$675 as the amount due in principal and interest on an \$800 auto loan.

The car was involved in a recent shooting case in which Bennett is charged with murder in the death of a St. Louis taxi cab driver. Mrs. Robinson has reported to Granite City police that the car was taken by Bennett without her permission.

Eight Drivers Arrested
As Police Operate Radar

Eight drivers were arrested on speeding charges Thursday as Granite City police operated their radar unit on Johnson road and on Pontoon road.

They are Priscilla B. Fields, 3501 Route One; Patricia A. Turner, 3503 Franklin avenue; Michael R. SanSoude, 2004 Riehmmond avenue; Herbert B. Parker, 2478 Waterman avenue; Ralph D. Ham, 2001 Edison avenue; Harold E. Chastain, 4917 Mueller avenue; and William M. Wood of Caseyville.

Arrested For Speeding
William Blockston, 21, of 1204 Douglas street, Venice, was arrested by Venice police at 9:55 p.m. Thursday at Main street and Bremen avenue on a charge of speeding. He posted cash bail pending a hearing in magistrate's court Oct. 5.

CUB SCOUTS MEET
WITH MRS. BIRDSONG
Cub Scouts of Den One Pack 19 held regular weekly meeting Wednesday evening at the home of their den mother, Mrs. Rena Birdsong, 2708 Cayuga street.
The Cubs opened their meeting with the flag ceremony. They completed work on their projects and practiced stunts for this month's pack meeting.
The meeting closed with the den yell and refreshments were served by Mrs. Birdsong to the following cubs: Tommy Adams, Mike Richardson, Jerry Cundiff, Elton Oden, and David McKel.

DEN THREE CUBS COMPLETE POSTERS

The cubs of Den Three Pack 19 met for a weekly meeting at the home of their den mother, Mrs. Jewel Weaver, 2918 West 20th street, Thursday evening.
Roll call opened the meeting and the cubs displayed pictures of farm animals and machinery which they used to complete a large poster for the coming pack meeting.

The cubs closed the meeting with a den yell, and refreshments were served by Mrs. Weaver to the following cubs: Richard Weaver, Gary Lewis, Danny Anderson, Steve Goodson, James Abner and Marty McCluskey.

HALLOWEEN PROJECT FOR DEN FOUR CUBS

Halloween "horror" was the project of Den Four Cub Scouts when they met Wednesday evening at the home of the den mother, Mrs. Vivian Cundiff, 2709 Cayuga street.
The cubs opened their meeting with a den yell and made the Halloween project out of construction paper and balloons. Games were played. Refreshments were enjoyed by the following cubs: Michael Meyers, Terry Meyers and David Gilmore.

WEBELOS MEET

The Webelos den of Cub Pack 19 met with the leader, Oliver Gilmore, at his home, 2749 Roosevelt avenue, Wednesday evening.

The session opened with the pledge of allegiance and the boys practiced their stunts for the coming pack meeting. The group also studied Boy Scout handbooks.
The meeting closed with the den yell followed with refreshments. Those present were: Michael Whitford, Terry Mosser, Robert Gilmore and Oliver Gilmore.

HOME FROM ENGLAND

Alman second-class George M. Birdsong arrived home Friday from Wethersfield Air Force Base, England, where he has been stationed for the past two years.
George Birdsong, 2708 Cayuga, his leave with his wife, Gina, and parents, Mr. and Mrs. George Birdsong, 2708 Cayuga street. He will report to the Cannon Air Force Base in New Mexico Nov. 1.

AUTO AIR-CONDITIONING FROM \$269. HUNDLEY PONTIAC

RETIREMENT CERTIFICATE for Gilbert C. Janssen (center), 2512 Edwards street, being presented by Col. Charles B. Schweizer, commanding officer of the Granite City Army Depot, as Mrs. Janssen looks on. Mr. Janssen has more than 30 years of federal civil service. He was a packer in the shipping branch of supply and transportation at the depot.

PACESSETTING REPORT for the forthcoming United fund campaign given last week by Mitchell Milonski (left) for American Steel Foundries employees. The employees have pledged 50% more than last year for a total of \$12,000. Milonski is presenting his report to Carl Mathias, industrial employees division chairman, and with him are Vincent Lohmann and Richary Polley, who carried out the campaign at the plant.

Mrs. Kassabaum Hospitalized

Miss Violet Kassabaum of Madison avenue is a patient in Missouri Baptist Hospital, St. Louis, where she is undergoing tests and surgery.

Meeting Tonight

Granite City Chapter For Aid to Retarded Children will hold its monthly business meeting program tonight at 7:30 p.m. at St. John's United Church of Christ, Mrs. Evelyn Gavin, president, will conduct the meeting to which the public is invited.

New Car Window Broken

Joseph Weizer, 12 Frontenac lane, reported at 10:40 p.m. Friday that the rear window was broken out of a 1965 auto owned by Hurst Motors of Edwardsville. The car was parked in Weizer's driveway.

ENTERTAIN GUESTS

Mr. and Mrs. Larry Schmidt and family, 620 Lincoln avenue, had as guests last week Mr. and Mrs. Anthony Schmidt of Carlinville, Mo. and Mrs. Kahn and children of Granite City and Ed Sturmann of Alton.

ATTEND FUNERAL

Mr. and Mrs. Floyd Painter of Granite street returned home last week having attended the funeral of Mrs. Leona Walpole in Jacksonville, Ill.
The Painters, accompanied by Mrs. Blae Forsythe of Granite City, also visited the clubhouse of Mr. and Mrs. William Ohlendorf in Grafton, where they

were joined by Mrs. Fred Fields of Alton. The Fields returned home with them for a visit.

ROYAL NEIGHBORS PLAN FOR HOLIDAYS

Venice Royal Neighbors met Wednesday evening at the Odd Fellows hall. The meeting was opened by the orator, Mrs. Zelma Hart and a business session was held.

Transfer of a juvenile to the adult camp was announced. Tentative plans were discussed for Thanksgiving and Christmas dinners.

Members present were: Mesdames Mabel McGee, Mabel Lehm, Betty Ritz, Clara Simmons, Faye Smith, Hazel Painter, Eva Craycraft, Beulah Sizemore and Jessie Jones.

SOCIAL MEETING OF LEGION AUXILIARY

Venice - Madison American Legion Auxiliary Unit 307 held a social meeting Thursday evening at the Legion home.

A guest for the evening was Miss Evelyn Ritz, a senior at Venice high school, who was a delegate to Girls' State this year. She spoke briefly to the group on her trip.

Games were enjoyed and prizes were awarded to the winners. Refreshments were served by the hostesses, Miss Dorothy Hinson, Mrs. Hazel Hinson and Mrs. Norma Hillmer.

Others present were Joyce Austra, Mickey Tapp, Emily Adams, Faye Smith, Clara Simmons, Zelma Hart, Viola Harrison, Linda Ballentine, Mildred Scannell, Bertha Ballentine, Donna Naselrad, Frances Cowley, Mary Ballentine, Jessie Henderson, Gertrude Tucker, Lola Willis and Alma Miller.

MRS. MAY TO HEAD CRUSADERS CLASS

The Crusaders class held its September meeting Thursday evening at the Venice First Baptist Church. The meeting was opened with a devotional led by Mrs. Edwin Horn, and Scripture was read.

A business meeting was held and officers were elected. Those elected were: president, Mrs. Alfreda May; vice-president, Mrs. Blae Mond; secretary, Mrs. Dorothy Hinson; Mrs. Mary Walker, Mrs. Mildred Bryant and Mrs. Eva Ferrell were appointed to the visiting committee and Mrs. Laura Belle Benson will head a committee to send cards and to contact shut-ins.

Following the business session, refreshments were served by the hostesses, Mrs. Paul Minton, to the above and Miss Lorette Antone, Mrs. Irma Davy and a guest, Rev. J. W. McDaniel.

MORE ABOUT

Gov. Kerner

(Continued from page 1.)

livelihood. Our export business has contributed to the low unemployment rate that Illinois enjoys. Our current rate is less than 4%, which is well below the national average.

We could go a long way if our exporting business could be increased to 20 or 25%. Our efforts have not flagged since the Trade Mission. Only this past July, our Agricultural Export Advisory Committee and the Board of Economic Development sponsored a two-day conference for consular officials from 39 foreign governments in Springfield. Again we were selling Illinois, its products and services.

Waterway Developments

Another front to be attacked in this program was to promote the other uses of our waterways. I asked and received from the legislature a monthly transfer of \$22,000 of motor fuel tax funds paid by Illinois boaters to be used by the Conservation Department for the development of boat access areas, launching ramps and small boat harbors. Approximately \$500,000 was spent in the construction of these facilities in the past summer.

The Conservation Department and the Board of Economic Development originated the "Illinois Water Trail" to attract boating enthusiasts and their job-creating dollars to Illinois. The service jobs to the tourists on this

water trail will expand as they have with the creation of the highway trails—the Lincoln Heritage Trail in south and central Illinois and the Havana Pioneer Trail in northern Illinois.

Our approach, then, was to increase our ability to tell the world that we stood ready to serve, show our businessmen how they could serve and tailor our efforts to the multi-purposes of agriculture, industry, and tourism.

The dedication of this multi-million dollar port facility is another step in Illinois' march of progress. It is an important step, but not the last. The task before us is a real challenge—one that the people of Illinois gladly accept. I am very happy to have played a part in these efforts. We have much yet to do—and I have long ago pledged this administration to meet this challenge.

Capt. and Mrs. Gosheff Are Parents of Son

Capt. and Mrs. Conrad Gosheff of Homestead, Pa., are announcing the birth of a son, their fourth child. The couple has three daughters.

The new arrival was named Timothy Conrad. Capt. Gosheff is the son of Mr. and Mrs. Dragic Gosheff, formerly of the U.S. Coast Guard, and the new infant is a great-nephew of Mr. and Mrs. Stephen Kroteff, 2908 Benet, and Mrs. D. L. Kacajeff, 1301 Iowa street, Madison.

Auto Enters Ditch

An auto which became caught in a ditch in the 3300 block of Nameoki road at 11 p.m. Saturday was removed by a tow truck summoned by the owner.

CUBS TOUR PLASTIC CO.

Michael Skundrich was welcomed into Cub Scout Den Two of Pack 90 at a weekly meeting Friday. The boys sang the welcome song in his behalf at the home of the leader, Mrs. Bernadine Weidner. The cub scout promise was given in union.

The boys and leader walked to the Chris-Kaye Plastics Co., where they were taken on a tour of the plant. Each was presented with a gift made at the plant.

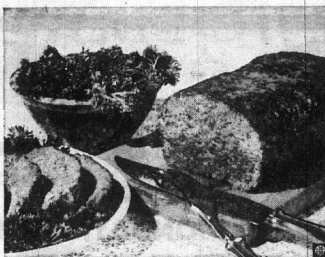

The boys returned to the home for a short business meeting, at which time the next pack meeting was discussed. A song was sung for Frank Derner, who is going into the Weheler. The meeting was closed with the "Goodnight Cub Scout" song by Derner, Chris Skokko, Wayne Kopchak, Billy Weidner, Russell Robinson, Jerry Dragich, Robert Richert, Richard Shrum, Raymond Stewart and the den chief, Steve Skokko.

SCOUTS PLAN HIKE

St. Mary's Boy Scout Troop 47 met Thursday at St. Mary's school cafeteria. The opening was given by the Bobwhite patrol, after which plans were made to go to the Cahokia Mounds State Park on an all-day hike in the future.

Knot tying was practiced by Jerry Nomm, Leonard Kolliste, James Susich, Danny Bargiel, Arthur Ratkewicz, Leonard Gnojewski and Bob Papa assisted with the group.

Year 'Round Favorite--Meat Loaf

Appetizingly good—either hot or cold—brown and juicy meat loaf is a sure mealtime favorite whenever, wherever it is served.

Brimming with the good flavor of ground beef, this meat loaf truly rates its best-seller label. Onion, salt and pepper are the simple seasoning accents for the beef, and fine dry bread crumbs keep the texture light. Evaporated milk, used just as it pours from the can, is the secret of the juicy moisture. This double-rich milk deftly binds the ingredients and helps seal in cold, this is

Best-Ever Meat Loaf
2 pounds ground chuck 1/2 teaspoon pepper
1/2 cup fine dry bread crumbs 1 tall can evaporated milk
1/4 cup finely chopped onion (1 1/2 cups)
2 teaspoons salt

Mix all ingredients lightly but thoroughly. Press lightly into loaf pan or dish (8 1/2 x 4 1/2 x 3 inches), smoothing top. Bake in preheated moderate oven (350° F.) for 1 1/2 hours. Cool 5 to 10 minutes before removing from pan. Makes 6 to 8 servings.

Disturbance Charge

Victor Enos, 40, of 2815 Myrtle avenue, was arrested at 10 a.m. Saturday at his home on a charge of creating a disturbance.

(Continued from Page 1.)

the same crime, was continued as his probation on a previous case was revoked and he now is in state prison.

Marshall Bradley, 18, of 105 Hill street, Eagle Park Acres, failed to appear for arraignment. He was listed as a fugitive and his bond is to be forfeited.

Arraignment for Mrs. Marion Heidrich, 41, of 4933 Willow lane, charged with theft of \$31.00 at the Leader Department store, was continued for two weeks to Oct. 5.

Coin was found not guilty by a jury five years ago in the bludgeoning murder of an aged Glen Carbon resident by reason of insanity. He was sent to a state prison mental institution and was released about two years later.

Fort was scheduled for trial in June 1963, on a burglary charge, but was extradited to Kansas to face armed robbery charges there. Authorities believe the case in Kansas failed to develop and he was released without the knowledge of local authorities. State's Atty. Dick Mudge is to be informed of the situation, and the old charge may be added to the October criminal docket.

Charges Not Pressed

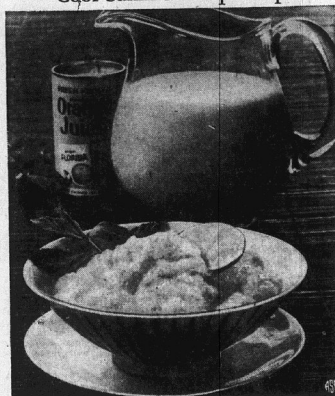

Arraignments were not held for Charles R. Cox, 30, of East St. Louis, and William B. Whitehead Jr., 19, of Cahokia, indicted for armed robbery Aug. 31 at the Evergreen tavern. Whitehead's case was continued, and Cox's case was removed with leave to reinstate.

Kurtak and Stone are listed on the Oct. 5 setting along with other cases. Included are: David Gann, 18, of 2200 Terminal avenue, and William Eugene Everts, 19, of 2227 East 24th street, charged with burglary at the Parkview confectionery, 27th and Buxton streets, last May. Gann also is listed on an armed robbery charge.

Elbert Eugene Allen, 21, a Granite City Army Depot soldier, who was shot and seriously wounded in an armed robbery at Clarence Lile's drug store, 21st street and Delmar avenue, last Dec. 2.

Earl Sidney Davis, 21, of 1908 Fifth street, Madison, charged with aggravated battery; Jerry Kenneth Jordan, 19, of 1740

Cool Summer Soup Coup

Ice cold orange soup is the most refreshing summer menu item imaginable. Fresh-frozen Florida orange juice concentrate gives this consumable its irresistible color and flavor.

The handy little 6-ounce can — so easy to store and so convenient to use for breakfast juice, in summer punches, salad dressings and ice cream sauces — is a treasure store of valuable vitamin C required daily by children and adults alike to maintain glowing good health. Summer's outdoor activities, as well as the heat itself, deplete our energy reserves, and the natural vitamin C contained in frozen Florida orange juice concentrate, a wholly pure product, gives a quick refreshing pickup. The Scandinavian countries of the north and tropical countries, too, are known for their cold soup specialties, and citrus juices flavor some of the best. This recipe for chilled orange consommé is so easy, and it's sure to delight and surprise your family and friends.

Jellied Orange Soup

1 can (6 ounces) frozen Florida orange juice concentrate
1 envelope unflavored gelatin
2 tablespoons lime juice

Reconstitute orange juice concentrate according to label directions. Sprinkle gelatin on 1/2 cup of the concentrate in saucepan to soften. Place over low heat, stirring constantly, until gelatin is dissolved. Remove from heat; stir in remaining orange juice concentrate and lime juice. Pour into an 8-inch square pan; chill until firm. To serve, spoon into serving dishes or whip with a fork. Serve with lime slices and mint. YIELD: 4 to 6 servings.

Market street, Madison, charged with burglary and theft. Willard "Big" Ford, 44, of 2 National blvd., Collinsville township, named in two charges of keeping a place of prostitution; and Delores Williams, 25, of the same address, named in two prostitution charges.

Named on the Oct. 13 setting are Colin, Nichol, Mrs. Heldbrinke, Miller, Hoffman, Whit, Weldon, English, Forte, Whitehouse, Cox, Brooks, Castile, Bradley and Bachler.

Character and courage cannot be built into a man by taking away his initiative and independence.

CIRCUS THEME AT BIRTHDAY PARTY

Michael Blason observed his ninth birthday Saturday afternoon with a party given by his parents, Mr. and Mrs. Alex Blason, in their home, 33 Cambridge lane.

Games were played and prizes awarded to Phillip Hill, Mark Loftus, Walter Rutkowski and Rich Wargin. Decorations were in a circus theme with balloons and favors for each guest in keeping with the motif. A decorated birthday cake centered the serving table.

Other guests include Rich Blason, John Niebur, Brian Dorch, LaDon Blason, sister of the honoree and Mrs. Sherry Santacruz and son, Keith.

Michael's grandmother, Mrs. Peggy Fricker, assisted with the party. Refreshments were served by the hosts.

The ways and means committee of Nameoki school PTA, which is planning a fish fry for Oct. 16 at the school, met Thursday evening.

Chairman Walter Volkmar and Co-Chairman Jim Burton presided with final plans made for the affair. Proceeds will be used for PTA sponsored events.

Additional volunteer workers are needed and anyone available to help may contact committee members for a work and time schedule.

Others attending were William Voss, Donald Koop, principal, and Raymond Schubert, Olin Hermes, Kenneth Whittington, Jerry Smith and Mrs. Twila McKinney.

FOUR-H GROUP PRESENTS HOMEOWNERS PROGRAM

The Isabel Bevier unit of the Madison County Homemakers

Extension Association met Thursday evening in the home of Mrs. Helen Civar, 4600 Maryville road, Co-hoosers was Mrs. Angie Brown.

Mrs. Norma Jean Ross, new chairman, conducted the meeting and received reports from other officers. Mrs. Sophia Green, 4-H leader from Kirkpatrick Homes, thanked the unit for 4-H pins and desk flags presented to her group.

Miss Pamela Byrd modeled a skirt she had made which received a blue ribbon at the county fair. Miss Mary Green gave a prize-winning recipe for a mayonnaise cake which won her a red ribbon. A devil's food cake was also displayed for judging.

It was announced that arrangements are completed with Friedman's store in Madison to obtain slides on home decorating color schemes. The slides will be available for the Nov. 12 meeting.

Mrs. Irene Dawes announced a contest, "Making Something in Wool," sponsored by the Farm Bureau. Mrs. Clara Schilling reported entry blanks are available and must be returned by Oct. 25. Judging of all articles will be on Oct. 31.

Other projects announced were an officers' training school to be held tomorrow at the Farm Bureau in Edwardsville, and a government course to be offered in Edwardsville on Oct. 29 at 10 a.m., with a maximum of 40 participants.

All units will participate in a membership drive set for Oct. 19. A penny collection was made for "Pennies for Friendship" with donations to be used by the Associated Country Women of the World organization to further the Homemakers Association.

MORE ABOUT

Relationship

(Continued from page 1.)

ment and also because many cases never reach the conviction stage. Allen advocated the extension coverage of trials as an extension of the courtroom audience, and said better informed citizens are not necessarily unfit jurors.

Alkers said all laws and cannot eventually be circumvented, such as by some lawyers' conduct which serves to advertise them, even though they cannot directly advertise. Newspapers police themselves in regard to seeking justice through responsibility and common sense, and it is up to lawyers to uphold bar association standards, he asserted.

Press Freedom Guarantee

All agreed that there is a constitutional guarantee against any law "abridging the freedom of speech or of the press," and that it is in the public interest that governmental officials not be in the position of judging what is appropriate or inappropriate in

sociation and to aid exchange students from other lands.

Mrs. Ross requested each member to come to the Oct. 22 meeting in costume. She gave the major lesson entitled "Community Worker or Leader." The health lesson was by Mrs. Angie Brown on "Housecleaning Safety Tips."

Mrs. Lillian Adams presented a paper on "Selective Subjects on Voting on a National Basis." The recreation chairman, Mrs. Dolly King, conducted a game period and refreshments were served by the hostesses.

The next meeting will be held in the home of Mrs. Margaret Toloroff, 2801 Yale avenue, with Mrs. Myrtle Hickman as co-hostess.

newspapers. Dictators' first move usually is against the press, it was brought out.

While rules of evidence—such as that barring admission of prior crimes—may seem wrong to some citizens, they were developed over centuries of court experience, members of the bar noted.

Alkers said most newspapers limit reporting of past criminal records to these crimes considered related to the new arrest.

Granite City, Illinois

The sixth annual meeting of the Marquette Division of the Illinois Education Association will be held on Friday, Oct. 9, from 9 a.m. to 1 p.m. at the West Junior High School, 1513 State street, Alton. Harold E. Briggs, Mitchell school principal, is program chairman.

The Marquette Division, with over 17,000 members from Bond,

DR. RICHARD STAAR
Callahan, Jersey, Greene and Madison counties, is affiliated with the Illinois Education Association. The program of the meeting has been approved by the five county superintendents and has been declared an insti-

tute day. The county superintendents are Dean Delay, Bond county; Chester Knight, Callahan county; C. K. Barnett, Greene county; O. A. Wilson, Jersey county; and Wilbur Trimpe, Madison county.

The meeting will be presided over by the President, Guy O. Petty, principal of Carrollton high school, and on the program will be two main speakers: Dr. Richard Staar from Emory University and Dr. Nicholas Nyaradi from Bradley University.

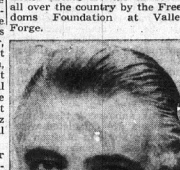

Dr. Staar, whose topic will be "From Marx to Khrushchev," received his doctorate from the University of Michigan and is presently Associate Professor, Professor of Political Science at Emory University, Atlanta, Georgia. Dr. Staar has just completed a year at the Naval War College, Newport, Rhode Island, where his assignment was the Chester W. Nimitz Chair of Social and Political Philosophy.

From 1949-1954 Dr. Staar served as Research Analyst, Intelligence Research Specialist on USSR and East Europe (CIA Department of State).

Dr. Nicholas Nyaradi, director, School of International Studies, Bradley University, will speak on "American Education at the Crossroads." Dr. Nyaradi was born and educated in Hungary and is now an American citizen. He received two Doctor Degrees from the Royal Hungarian University of Budapest—one in Political Science and another in Jurisprudence. Dr. Nyaradi participated in the anti-Nazi under-

ground movement in Hungary in world war II. He was asked by anti-Communist Small Land Holders Party to accept a position in Hungary's post-war coalition government. He was Under-Secretary of the Treasury and the Minister of Finance of the Republic of Hungary until 1948, when as a consequence of the increasing Soviet pressure, he and his wife were forced to flee their native country.

Dr. Nyaradi was recently awarded the George Washington Honor Medal for his addresses all over the country by the Freedom Foundation at Valley Forge.

DR. NICHOLAS NYARADI
From 10:50 a.m. to noon teachers in attendance will meet in 23 groups for discussion purposes. Among the group leaders will be Dr. David F. Bear of Southern Illinois University; Frances Hewitt, Joseph Jurkian, Dan Roman and N. E. Hutson from the office of the state superintendent of public instruction; George Wirths from New Athens; Dr. Clayton Ford from Principia College and a number

Faces License Charge
Wayne L. Manson, 19, of 177 Viola Jones Homes, Venice, was charged with driving without a state license and driving with fictitious license plates in two complaints issued by Venice police Thursday. He was arrested in the 100 block of Meredith street at 2:40 p.m. and posted bond for a hearing Oct. 5.

ALL-NEW POLARA has been introduced for 1965 by Dodge. The larger Polara has six models—a four-door sedan, two-door and four-door hardtops, a convertible and two four-door station wagons.

Dodge Polara Larger; New Monaco Introduced

Dodge has unveiled a larger Dodge Polara for 1965 and introduced two cars in the medium-price field—a newly-styled and roomier Custom 880 and a special, luxury sports model called the Monaco. They are on display at Farrington Motors, 111 Madison avenue.

The Polara includes a "slending package" to promote a softer and quieter ride, refinements for better steering action, added protection against body corrosion and larger windows for visibility. The '65 Dodges also include a new 121-inch wheel base.

Starting with a new car design, it has been possible to give the '65 Polara sedan higher door opening and more head and leg room. The styling emphasis is on the increased length and width.

A range of 14 exterior colors and 17 two-tone combinations is offered in a new acrylic enamel.

Teachers, principals and superintendents within the division. Assisting on the program committee are Martha Ayers, Greenville; Olin Stratton, Highland; Winifred Dougherty, Kane; Mary Lois Brooks, Alton; and James Ringhausen, Hardin. Other officers of the Marquette Division include Arthur Menendez, Granite City, secretary; Robert Lahey, Alton, treasurer; Elsie Sloan, Edwardsville, past-president.

State committee members of the division are Joseph Naglich, Madison, legislation; Dallas Havel, Edwardsville, public relations; Maxine Stevenson, Alton, membership and finance; and Bernice Landis, Alton, welfare and ethics.

Refresher courses and ushering services will be supervised by the Alton Education Association.

finish that can be readily buffed back to its original brightness. The standard Polara engine is a 383-cubic-inch V-8 with two-barrel carburetor and 270 horsepower for which regular gas is recommended.

The Monaco is Dodge's first entry in the special prestige car class. It has a four-barrel version of the 383-cubic-inch V-8 with two larger engines available as options. Inside are four individual bucket seats separated by a full-length center console.

The new Custom 880, although 2 1/2 inches shorter overall than its 1964 counterpart, appears more massive and actually has more front and rear seat head and leg room.

Other Dodge lines on display are the Dart and Coronet.

Five Couples in Area Obtain Divorce Decrees

Five area couples have received divorce decrees in Madison county circuit court. They were granted to:

William Seebold from Beverly Seebold, court case No. 27, 1963, and separated last July 30. He charged cruelty and obtained custody of two children.

Florence Elizabeth Meister of Granite City, operator of the Lilly Pad tavern on Route 35, from Arthur Paul Meister. They were married May 21, 1961, in East St. Louis. She charged desertion.

Dorothy S. Gushoff of Granite City from Thomas L. Gushoff of Granite City. They were married Oct. 28, 1942, and separated last Sept. 3. She charged cruelty. Her maiden name of Dorothy Changworth was restored.

Deloma M. Nicholls of Granite City, a minor, by Bessie L. Sumner, her mother, from Charles E. Nicholls. They were married Feb. 23, 1961, in Edwardsville and separated July 13, 1964. She charged cruelty and obtained custody of two children. Child support was reserved by the court pending further application by the plaintiff.

The complaint was signed at Venice by Calvin Zimmo, manager of the Tri-City Grocery at Venice who said Pegg passed a check for \$113 at the Tri-City store about three weeks ago. Elmore said the check was a reproduction of a payroll check of an East St. Louis ornamental iron company and bore a "rubber stamp" signature.

Police Chief Frank Dewitt said it is unlikely Pegg will be prosecuted under the Venice complaint. Pegg was removed from the East St. Louis jail to St. Louis by federal authorities who have filed other check charges against him.

Lexington Shipmates Get Together Here

Walter D. Reed, Lt. Comdr. ret., U.S. Navy and public relations director for the Minute-man's Club of the veterans of the carrier USS Lexington, is a visitor at the home of Mr. and Mrs. John Matras, 3221 Fehling road. Matras served aboard the carrier from 1938 to 1941 prior to its being sunk in the Coral Sea on May 8, 1942.

Reed, who is from Oakland, Calif., stopped to visit Matras on his return home from a business trip to Chicago and said he is anxious to learn the whereabouts of all persons who served on the Lexington. Another Quad-Cityan is Lewis Bowman of 3100 Wayne avenue.

"We have a reunion each year and we want to send invitation to every man who has served on the Lexington," Reed said. Quad-Cityans may notify Matras.

Nine to Attend Annual State Chamber Meeting

Nine and possibly 12 will represent the Quad-City area at the 46th annual meeting of the Illinois State Chamber of Commerce Thursday and Friday in Chicago. They will leave here Wednesday.

Those planning to attend include C. of C. President Chester L. Baker, Carl Mathias, Nicholas P. Veeder, John Hurdin, Russell Creel, Edwin G. Schmidt, Charles Lybarger, C. E. Townsend and Ford Goewert. Veeder, Granite City Steel Co. president and board chairman, is a state chamber director.

A busy schedule will continue from state committee breakfasts Thursday through the annual banquet Friday night, at which Gov. Otto Kerner (D) and Charles H. Percy (R), the two Illinois gubernatorial nominees, will speak on "What Can Illinois Business Expect After Nov. 3?"

Two U.S. senators, Abraham A. Ribicoff (D), Connecticut, and Peter H. Dominick (R), Colorado, will debate "What I See Ahead During the Next Four Years" at a luncheon Thursday.

A social security and labor relations clinic will follow, with that night's dinner meeting spotlighting "The Crisis Downtown," stressing that a downtown area should not be allowed to stagnate, since it provides many services essential to its community's economic growth.

On Friday morning, "Our Neighbors Tell Their Story—Handwriting on the Illinois Wall?" will deal with Ohio state expenditures, the revised Indiana tax structure, a Michigan "revenue and spending race," higher education in Michigan, health of executives and the community college movement. David J. McDonald, United Steelworkers of America president, will be the luncheon speaker Friday, and a business conditions clinic will be held Friday afternoon.

Nickel Not Enough To Cross River Bridge

Two St. Louis men were arrested by Venice police shortly after 7 a.m. Saturday when the driver of the car in which they were riding insisted on paying only five cents fare for passing over the Venice-owned McKinley bridge.

Edward Wiesehan, bridge employee, called police who arrested James A. Falkenberg on a charge of failure to pay a bridge toll, and Falkenberg's companion, James Shartzer, on a charge of refusing to obey an officer.

Police said Falkenberg was out of the car and abusive when they arrived, and that after arresting him, Shartzer failed to obey their instructions to leave.

School Bond Sale Among Topics of Board Tonight

Resolutions and other documents related to its sale of a \$2,390,000 bond issue to the North and West Trust Co., low bid at \$97.10, will be considered by the Granite City school board during a regular meeting at 7:30 tonight.

Beginning in October, the board will meet at 8 p.m. on the second and fourth Tuesdays.

Tonight's agenda includes such topics as: Coalinge Junior high school landscaping, an intercommunications system for Granite City high school and possibly the board office, transportation of Army Depot children and a local meeting of the Southwestern Division, Illinois Association of School Boards.

Other business items listed for discussion include sanitary facilities, purchase of steel for industrial and vocational classes, Illinois Manufacturers Association membership, a leave request, a request from an employee for permission to accept nomination to a national office, awarding of bids in six categories, opening of six sets of bids, a sewer tap-on report, high school activity funds and a report on servicing of football field lights.

Madison Seeks Bids to Construct Catch Basins

The city of Madison is seeking bids for construction of catch basins in five alleys as part of the current storm sewer system. They will be received until 2 p.m. Oct. 13 at the Madison city hall and will be publicly opened.

The catch basins are to be placed in alleys where storm water normally stands. The proposed work will include manholes, inlets and necessary incidental construction.

Proposed forms, plans and specifications may be obtained from Sheppard, Morgan & Schwab, consulting engineers in Granite City upon payment of a \$10 deposit.

Now beauty is only the
beginning of what's new

'65 Chevrolet

It's a longer, lower, wider, roomier, quieter, handsomer, swankier kind of Chevrolet for '65. Beneath its clean-beam lines, there's more shoulder room, more leg room up front

and more foot room too. There are also curved side windows, fine new fabrics and a new instrument panel that's finished in the Impala series) with the look of hand-

rubbed walnut. Even Chevrolet's famous Jet-smooth ride is smoother. What's new? From behind the wheel (who knows?) you could get a whole new outlook on life!

'65 Corvair

It's a rader looking, quicker steering, surer stopping, flatter cornering, roomier riding kind of Corvair for '65. Beneath the longer, wider new Body by Fisher, there's a sweeter

riding independent suspension system, bigger self-adjusting brakes, more responsive steering and a wider road take. Also up to 180 hp available in the new top-of-the-

line Corvairs—up to 140 hp in the Monza and 500 models. Where do you find out about all this firsthand? Just follow the enthusiasts—to your Chevrolet dealer's.

More beauty to see—the '65 Chevells, Chevy II and Corvette also now at your dealer's

Carillon Dedication Set At 1st Presbyterian Church

Dedication ceremonies are to be held at 8:30 and at 11 a.m. Sunday for an electronic carillon which recently was installed at the First Presbyterian Church, 22nd street and Delmar avenue.

Rev. Dr. David B. Maxton said the bells are a gift to the church from Mr. and Mrs. Robert Hoevel, 3214 Yale drive, in memory of Mr. Hoevel's mother.

A bronze plaque bears the inscription—"The carillon bells in this church is dedicated to the memory of Augusta L. Hoevel, 1874-64 by Mr. and Mrs. Robert Hoevel."

"The carillon will be in operation Wednesday.

"The instrument is known as an 'American' carillon, consisting of 75 miniature bell units, each struck by metal hammers, producing exact true bell tones at most inaudible to the human ear. These bell vibrations are then amplified over one million times by means of specially designed electronic equipment, producing true bell music with all the depth and richness of the traditional cast bells of massive proportions.

"The instrument provides the tonal equivalent of over 1,000,000 pounds of cast bells tuned to the finest standards. The harp bells, which are a part of the carillon, are a new tone color in bell music, and add the melodic beauty of the plucked harp, enabling the musician to play selections which were not possible heretofore," Rev. Maxton said.

The carillon will be played from a special keyboard located at the organ. Selector switches will permit the bells to be heard

Saltich Elected Head Of Columbus Home

Steve Saltich, 2972 Washington avenue, was elected to his third consecutive term as president of the Columbus Home Association during a meeting of the T.Y. County Council on Thursday night.

Other officers elected were Al Sanders, vice-president; Oscar A. Reinhardt, treasurer; Ed Lenz, secretary; and William Boerckel, Joseph DeLantz and Rudy Hoffek, directors for three-year terms. The association is the property holder for the council.

Saltich presented his annual report on home operations and William Morris presented a detailed audit.

During the meeting Rev. Michael Bjorkdinsky, pastor of St. Mary's Greek Catholic Church in Madison, invited the members to participate in the 52nd anniversary of his parish on Sunday.

An anniversary Mass will be celebrated and a dinner will be served in the church hall.

The members voted to contribute a set of basketball backboards to St. Margaret Mary's school and renewed a 20-cent member contribution to the diocesan Synod of the Immaculate Conception on Lake Springfield for the next five years at the request of Most Rev. William A. O'Connor, bishop of Springfield.

It was announced that the annual state fund drive of the Knights of Columbus Foundation for the Newman Apostolate will begin its 41st annual series with a dinner meeting at the Missouri Athletic Club. He will speak on "Good Business Management in Government," E. Edgerton Hart, IMA secretary, will discuss the Nov. 3 state representative election and the proposal for annual state legislative sessions.

Ohio Governor James A. Rhodes has been obtained as the speaker for Friday night, Oct. 16, when the Southern Division of the Illinois Manufacturers Association will begin its 41st annual series with a dinner meeting at the Missouri Athletic Club. He will speak on "Good Business Management in Government," E. Edgerton Hart, IMA secretary, will discuss the Nov. 3 state representative election and the proposal for annual state legislative sessions.

A blood bank report was presented by Don Stanton, chairman.

Adds in promotional booklets for the ninth annual ball of the Grants City fireman's relief and welfare fund and for the Venice-Madison police were renewed.

Visit World's Fair

Oney E. Allen and June A. Janet Allen of 517 Margaret avenue, were among visitors to the New York World's Fair.

MRS. HOFF HOSTESS TO PINOCCHIO CLUB

Mrs. Harriet Hoff entertained her pinocchio club Thursday evening in her home, 1645 Moro avenue, for its first meeting of the season.

Those holding high scores were Mrs. Irene Willis, first; Mrs. Juliana Rosenberg, second and Mrs. Mary Lou Clausen, third. The flower prize went to Mrs. Catherine Hommert.

Refreshments were served by the hostess to the above named and Mesdames Edith Ryan, Lorraine Melroy and a guest, Mrs. Eva Shepard.

Mrs. Hommert invited Mrs. 2732 Michigan avenue, for the next meeting October 29.

GIRL SCOUTS ELECTION OFFICERS

New officers were elected for Girl Scout Troop 72, sponsored by St. Elizabeth school, during their meeting Wednesday afternoon included Lisa Hartman, president, Nancy Thompson, vice-president, Kay Nenninger, secretary, Debbie Fuchs, treasurer, Rene Besta, class reporter and Jane Parker, news reporter.

Plans were made for the members to tour the new post office on Madison avenue in lieu of their next meeting on Wednesday. Following a discussion, tentative plans were made to hold an overnight campout October 30 at the home of Lisa Hartman.

Those present were Margaret Barth, Ann Bickhaus, Judy Canoon, Kathleen David, Patricia Dooley, Jane Gabriel, Jeanne Gibb, Paty Guth, Paty Gregg, Raylene Homela, Theresa Lehmkuhl, Mary Lelle, Andrea Reznack, Rhonda Roberts, Gayla St. Ivany, Cindy Scott, Vicki Kubelka, Mary Lelle, Theresa Lehmkuhl, Karen Muhlill and the newly-elected officers.

PARTY COMPLIMENTS

Kathleen David was honored on her 11th birthday with a party given by her parents, Mr. and Mrs. Robert David, in their home, 5188 Nameoki road, Thursday evening.

A winner roast was held in the back yard and outdoor games were enjoyed by the guests. A "Beagle" birthday cake served as the centerpiece for the gift table.

Those attending were Margaret Barth, Jane Gabriel, Debbie Fuchs, Debbie Scheibel, Rhonda Roberts, Connie Jorden, Theresa

Lehmkuhl, Mary Pisel, Cindy Scott, Vicki Kubelka, Joyce and Sharon Johnnesse, Paty Guth, Raylene Homela, Lisa Hartman, Karen Muhlill, Ann Bickhaus, Cheryl and Denise Dorch, Kathy Werner, Charlene Perenbach, Jane Parker, Mike, Tim and Pat Copeland, David Bucherer, Betty Crosser and Brian and Bruce David, brothers of the honoree.

Assisting the hosts with the party were Mrs. Crystal David and Mrs. Shirley Copeland, aunts of the honored guest, and her grandmother, Mrs. Katherine David.

AFTERNOON CIRCLE MEETS WITH MRS. STEGLE

The afternoon circle of the Nameoki Presbyterian Church met Thursday afternoon in the home of Mrs. Mary Kay Stegle, 4100 Stearns avenue, for a one o'clock dessert luncheon.

Mrs. Louise Anderson, chairman, opened the meeting with prayer followed by department reports. She announced a fall Presbyterian meeting will be held the first week of October, and plans were made to attend.

Missionary names of the day were read and prayer was offered in their behalf by Mrs. Betty Flinn. Mrs. Carolyn Stearns gave the Bible study, which was from the study book, "Be What You Are."

Those attending were Mesdames Adele Gregory, Lena Kuebel, Edith Simpson, Alta Stewart and two guests, Mrs. Elizabeth Tiller and Mrs. Ellen Westbroek.

The next meeting on October 22 will be held in the home of Mrs. Mildred Fleener, 3521 Johnson road.

SISTERS HONORED BY ALTAR SOCIETY

The Altar Society of St. Elizabeth Church held the September meeting Wednesday in the school cafeteria, with 107 members present.

Mrs. Ann Pare, president, opened the meeting with prayer and introduced the guests, Sisters and lay teachers of the school. A gift was presented to Sister M. Conilla in honor of her 50th anniversary year in religious life.

The meeting was combined with a "pantry shower" for the Sisters convent kitchen. All manner of staples and canned goods were received.

Mrs. Pare reported the annual Christmas party will be held on November 28 at the Lewis and Clark Restaurant in East Alton. This will be a joint venture with the Holy Name Society of the church.

Plans were discussed for the annual quilt festival in the school cafeteria on Oct. 4. Mrs. Alice Neumann, president of the Alton Deane, presented a report on the convention recently held in Deatur.

The program entitled "Your Child and Folk," was presented by several members.

"Angel of the month" was given to Mrs. Ann Lancel and the Madonna went to Mrs. Evelyn Guth. Sister Mary Mark's room was awarded a prize for having the largest number of mothers present.

Next monthly meeting will be held October 28 at the church.

HOSPITAL PATIENT

The program entitled "Your Child and Folk," was presented by several members.

Next monthly meeting will be held October 28 at the church.

County Births Down, Deaths Up in August

Births in Madison county totaled 361 in August, or 12% less than the 409 recorded in August 1963. Miss Eulalia Hots, county clerk, announced this week.

Deaths in the county numbered 201 in the past month, compared to 160 in the previous August. Marriages in August totaled 206, down from 250 in the same month a year ago.

In her report on births, Miss Hots noted there were 183 girls and 176 boys, compared to 209 boys and 200 girls in August 1963. There were two sets of twins during August last year, and three sets in August this year.

major surgery. She is expected to remain as a patient for two weeks.

Dodge comes on big for '65

What does Dodge do after two record-breaking years in a row? Go for a third. Dodge comes on big for '65, with four brand-new cars that are big, quick, fresh and backed by the strongest warranty* in the business. See them.

'65 Dodge

DODGE DIVISION CHRYSLER

'65 DART: The Dodge-size compact. If you'd like to live a little, we'd like to let you in on something big—Dodge Dart for '65. Big beauty. Big comfort. Big ride. And big savings. At your Dodge dealer's now.

'65 POLARA: Beautiful way to leave the low-price field. Inches bigger and a lot better-looking than anything near the price. With a standard 383 cu. in. V8 that thrives on regular gas. Why settle for less? Ask for Polara.

'65 CORONET: A hot new Dodge at a new lower price. An all-new car that's as roomy as a standard-size Ford or Chevy, yet priced right with Fairlane, Chevelle. With refreshing new styling. Oceans of room. Coronet '65—drive it.

'65 CUSTOM 880: If elegance were spelled in numbers, this would be it. From exclusive 6-window sedan to elegant convertible, this one will wear well with your appreciation of luxury and your sense of good taste.

FARRINGTON MOTORS, Inc.

GRANITE CITY, ILL.

WATCH "THE BOB HOPE SHOW," NBC-TV. CHECK YOUR LOCAL LISTING.

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever occurs first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motor Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motor Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Star-spangled way to help your baby's future

Suppose somebody had started off your future with a U. S. Savings Bond. And kept adding more Bonds as your birthdays added up.

You would have had a nice send-off when you set out to conquer the world!

It's still a great idea. And if you have any new boys or girls in the family you can put it into action now.

The cost is small. Only \$37.50 for each \$50 Bond—or less than 11¢ a day to buy one every birthday.

U. S. Savings Bonds will save more than money for your baby's future, too. They'll help Uncle Sam safeguard his future freedom.

Ask about buying Bonds where you work or bank. You don't have to wait for a birthday, either.

- Quick facts about Series E Savings Bonds**
- You get back \$4 for every \$3 at maturity (7½ years)
 - You pay no state or local income tax and can defer the federal tax until the Bonds are cashed
 - Your Bonds are replaced free if lost, destroyed or stolen
 - You can get your money when you need it

Buy E Bonds for growth—H Bonds for current income

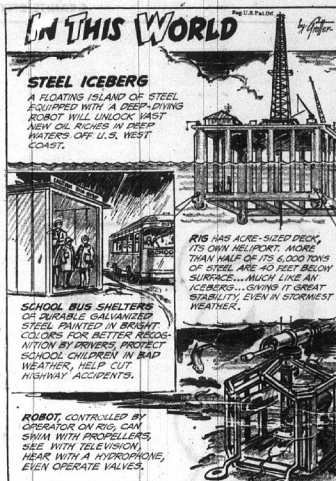

Keep freedom in your future with

Stored Telephone Poles Destroyed by Blaze

Madison firemen fought a roaring blaze this morning that engulfed a pile of approximately 40 telephone poles that had been treated at the American Cresosote Co. at the end of Washington avenue in Madison. Firemen were called at 8 a.m. and were at the scene more than half an hour to keep the fire from spreading. Firemen said the poles caught fire while employees were burning off several weed patches in the yards where poles and railroad ties are stored. No estimate was made of the damage.

Association of Blind To Meet on Thursday

Miss Eulalia Hotz, Madison county clerk, will review the voting laws as they pertain to the blind at the meeting of the Madison County Association of the Blind at 7:30 p.m. Thursday in the Stratford hotel, Alton. Association bowlers will meet at 6:30 p.m. Thursday to complete plans to defend their state championship at Galesburg Oct. 25. A dance and a Christmas party also will be considered.

Harvey Hawkins is Home For Two-Week Leave

Harvey D. Hawkins, 30, son of Mr. and Mrs. Harvey Hawkins, 618 East Chain of Rocks road, Mitchell, will leave Wednesday to rejoin his geographical survey unit after a two-week leave visiting his parents and friends. For three years Hawkins has been serving aboard the USS Serrano, a geographical survey ship, in Asian waters. He is to rejoin the same unit.

Car Leaves Crash Scene

A northbound orange or red 1955 or 1954 auto left the scene at 11:30 p.m. Saturday after damaging the left rear fender and rear bumper of the southbound auto of J. D. Sattler, 1115 S. 11th, in the 1000 block of State street, Madison.

**MORE ABOUT
Engineer Corps**
(Continued from Page 1.)

ceived by local citizens in cooperation with the Corps of Engineers and Illinois state legislators, and that all was made possible by the joint planning of the Army Engineers with the approval of Congress over two decades ago.

The Chain of Rocks canal, during the planning stage, was designated to be widened immediately above the locks for a distance of about 6750 feet, with a bottom width of 700 feet, in order to procure material needed for levees on either side of the canal—plus creating a harbor for possible future wharf development.

Specific location of the widened area was selected to provide a suitable port area in relation to the geographical position of the Quad-Cities and Illinois Metropolitan Area.

On Main River Channel
Since the later construction of Dam No. 27 across the Chain of Rocks reach of the Mississippi River, all river traffic uses the canal and locks. The harbor therefore is located on the main water thoroughfare from the Gulf of Mexico to Lake Michigan, the latter reached by way of the Illinois River. This links the Quad-Cities, Illinois-Missouri metropolitan areas and the entire midwest with world markets, through the Port of New Orleans, Port of Chicago and St. Lawrence Seaway.

Maximum benefits, state and nation would be obtained only by full development of the port facilities, of which the current projects are only the initial step. The investment has been estimated at about \$1 million, compared to a projected \$20 to \$40 million.

The district does not levy local property taxes. Since it was created by the state government, all of its holdings will be public property.

Self-Sustaining
All growth of this area, expansion of its economy and broadening of the industrial base—bringing more jobs and greater sharing of the tax burden. The chairman stressed in the draft of his talk today that the port district has had the closest cooperation with the St. Louis Engineer District in planning for the future use of government lands at the harbor site.

In line with negotiations conducted with Col. James B. Meador Jr., current district engineer, and his predecessors, the district has embarked on a construction program on a total of 214 acres of U. S. land, including about 3000 feet of usable river frontage, under a 50-year lease.

Pointing out annual increases in Mississippi River traffic, with new records being set each year, the Corps of Engineers and district engineer have in the past repeatedly emphasized a hope that the people of Illinois would take advantage of the canal harbor.

They have noted the logic of establishing a large port complex to serve the growing river-rail-truck operations in this region and the manufacturing potential of the Illinois Metropolitan Area, which is blessed with many ideal plant sites protected from flooding by Engineer Corps efforts.

Assistance From Many
Rant said that at the first stage of the new terminal begins functioning, probably in late October, citizens of Madison County and the district engineer view it with pride and give due credit to all who have assisted in making it a reality.

"Without the cooperation of the district engineer and his staff and their valuable technical advice, a project of this magnitude could not have been undertaken," he said.

The first stage of the development and its dedication mark four years of extensive planning by the Tri-City Regional Port District board, the U. S. Corps of Engineers, the legislature of the state of Illinois and the personal efforts of Gov. Kerner, Rant said.

The port was established and created under the administration of Gov. William G. Stratton. Upon the election of Gov. Kerner, he immediately showed interest in the project and directed and guided the Board of Economic Development of the region in assisting the Tri-City Regional Port in reaching its present status, he noted.

Enabling Legislation
The necessary enabling legislation to create the Tri-City Regional Port District was sponsored by Lloyd "Curly" Harris, representative from Granite City, who was to introduce Gov. Kerner today, and by State Senator Paul Simon, assisted by others of the Illinois Metropolitan Area. They were able to see the needs and the potential boon to the economy of the southern Illinois, Rant related.

During the interim period, the port board has enjoyed the limited personal interest of Representative Harris, Senator Simon, Gov. Kerner and the Board of Economic Development. The board was created in 1958 and 1960, and the members have served continuously without remuneration. The commissioners have devoted long hours and personal funds to the development of the Tri-City Regional Port District, the chairman reported. With one exception the board is made up of original members, and in that case the commissioner was elected to public office.

Granite City PRESS-RECORD
Page 24 Mon., Sept. 28, 1964

and there was a conflict of interest.

Current Commissioners
The present board consists of Rant, chairman, and Harold R. Fischer, Henry D. Karandjef and Joseph A. Grant, all appointed by the governor; and Harry E. Hartman, John N. Bellcoff and William L. Beatty, appointed by the mayors of Venice, Madison and Granite City, respectively.

A. Austin Lewis was an original member, but is now serving Madison county as an associate circuit judge.

To make the Tri-City Regional Port District possible required extensive cooperation of a number of railroad, truck lines, industrial development groups, civic organizations and the heads of area political agencies.

Such agencies as the U. S. Coast Guard, the Illinois Division of Waterways, the U. S. Corps of Engineers, and others with statutory obligations to protect the public have closely cooperated to see that all planning and authorizations of required permits, were in the public interest.

Permits Operation
On the industrial level, various Illinois Manufacturers Association, Chicago civic groups, the Port of Chicago, Illinois Power Co., Union Electric Co., Bank & Trust Co., Chicago, representatives of the Chicago Association of Commerce and Industry; the local engineering firm of Shepard, Morgan & Schwaab and various independent engineering firms representing tenants of the port from various sections of the country.

Rail Line, Tanks, Loading
The port's present construction consists of extensive rail track installations to serve the harbor loading area, and liquid loading facilities being established by National Marine Service, Inc., New York, which will operate the latter, Illinois Terminal will handle rail operations. In addition to rail facilities, complete loading and unloading facilities to handle goods moving between rail, truck and barge cargo space are being installed.

Storage Tanks
Storage tanks—for liquids destined to be shipped further and material handling systems will permit cargo originating in the heartland of Illinois to reach not only this port but also the Port of Chicago for further distribution in the U. S. of export to foreign countries.

Next Bonds In March
The district expects to be able to sell its next revenue bond issue in March 1965 to cover added facilities that are in the planning stage and which will be developing simultaneously with continued progress on the Chain of Rocks canal. The initial revenue bond issue was in the amount of \$720,000.

The port to date has operated with only two full time employees—the general manager, Commander (Retired) John L. Barron, and the office manager, Mrs. Jack Taylor, assisted on a part-time basis by a local attorney, Randall Robertson of the firm of Launder and Robertson. The port is designed to be completely self-supporting and not to receive any further tax support from the people of Illinois. It has never received any federal grants and does not contemplate the use of federal grants. The board members expect it to contribute materially to the income and prosperity of Madison county.

The district was joined by the Tri-Cities Chamber of Commerce in planning today's dedication, which was to be held at the foot of Rock road and the Chain of Rocks levee. Location of the event of rain was to be the Granite City high school memorial gymnasium.

Attorney Robertson was to be master of ceremonies with Chamber President Chester L. Baker speaking on the economic impact of the port and joining Rant in handling introductions. Prayers were to be offered by Rev. J. P. Jordan, pastor of St. Joseph's Catholic Church, and Rev. David B. Maxson, pastor of the First United Presbyterian Church.

Street, Scroll Honors
The schedule of events drawn up for the ceremony included naming of a street at the port site in honor of an individual instrumental in the development, and presentation of a scroll to the widow of one of the early proponents of the port.

Music before and after the dedication was to be provided by the high school bands of Granite City and Madison and the public school band of Venice, with the

Vandals Cause Damage
At 2 Davis Ave. Homes

Considerable damage by vandals to two homes on Davis avenue Saturday night was reported at 12:35 p.m. Sunday. Victims were police Sgt. Kenneth Watts, 2548 Davis avenue, and Gene Roberts, 5145 Davis.

At the Watts home, a statue on the front lawn was turned over and a lantern was taken from it. Wet jobs of paper were thrown on the windows of the house.

Three rose bushes were broken. The garbage can was turned over. A bird bath was broken. A broom was thrown on the roof of the house and a garden hose was draped on the fence.

Wet jobs of paper also were thrown against the window at the Roberts home where two swings from a swing set were removed. One was found several doors away, wrapped around a utility pole. Large rocks were scattered around the lawn and on some small bushes, and some trees in a neighbor's yard were broken.

**Man Falls Down Steps;
Injuries to Youngsters**

A fall down a flight of nine steps injured Stanley Kuch, 23, of 2328 Hodges avenue, resulting in his being admitted to St. Elizabeth Hospital Saturday. He suffered severe head lacerations as well as a nose laceration.

Hospital emergency room patients Saturday were George Stubblefield, five, 1624 Delmar avenue, contusion to top of left foot, suffered while playing; Richard James, two, son of John James, 2810 Nansel road, who ate about 20 vitamin tablets; Cathy Bailey, eight, daughter of Rudy Bailey, 2319 East 24th street, right arm fracture; and Ronald Warchol, 12, son of Edmund Warchol, 908 Washington avenue, Madison, laceration and hematoma on top of head after being struck with a play gun.

Rally Day Installation
Banquet at St. John's

Rally Day in the St. John United Church of Christ church school yesterday was climaxed with an appreciation dinner and installation service for Sunday school teachers last night. The Chaplains quartet entertained, and talks were given by Rev. Paul Surbey, pastor, and Elmer Stille, superintendent.

About 50 persons attended a leadership training workshop in the church educational building Sunday afternoon. During the morning sessions, Bibles were presented to primary students, and church school students with perfect attendance in the last year were recognized.

Arrested in Madison

Arrested in the 1600 block of Market street shortly after midnight Sunday morning, John Triber, 33, St. Louis, was charged by Madison police with disorderly conduct. He was released at 10:45 a.m. Sunday on bond to return Oct. 7.

Auto Fire Sunday

Nambeck firemen were called to 1400 West Porton road to fire in an auto owned by Arno Lee, 2621 Logan avenue, at 2:20 p.m. Sunday. Firemen said a wheel became hot and caused a tire to blow out. Damage was estimated at \$20.

Car Windshield Broken

Thomas Griffith, 2410 Grand avenue, reported at 6:20 a.m. today that during the night vandals broke the windshield on his 1964 auto while it was parked at his home during the night.

Colors being presented and retired by the Granite City Army Depot.
